

Laura Senier

Department of Sociology & Anthropology and
Department of Health Sciences
Northeastern University
533 Holmes Hall
360 Huntington Avenue
Boston, MA 02115
lsenier@neu.edu
617-373-7482

Professional Appointments

- 2013-present **Assistant Professor**
Northeastern University, Boston, Massachusetts
Department of Sociology and Anthropology and
Department of Health Sciences
- 2009-2013 **Assistant Professor**
University of Wisconsin-Madison, Madison, Wisconsin
Department of Community & Environmental Sociology and
Department of Family Medicine

Education

- 2009 **Brown University**, Providence RI
PhD, Sociology
- 2005 **Brown University**, Providence, RI
MA, Sociology
- 2000 **Boston University School of Public Health**, Boston, MA
MPH, Epidemiology and Social and Behavioral Science
- 1990 **Colby College**, Waterville, ME
BA, American Studies, *cum laude* and distinction in the major

Research Support: Grants Awarded

I. External Funding

- “Barriers in Translating Genomic Research into State Public Health Programs.” National Human Genome Research Institute (NIH-NHGRI), Mentored Research Scientist Development Award (K01). July 2012-June 2017. Principal Investigator, 75% effort. (\$894,413.)
- “Barriers and Benefits in the Delivery of Public Health Genetics Programming in Wisconsin.” U.S. Department of Agriculture Hatch Startup Grant. September 1, 2010-September 30, 2012. Principal Investigator, 10% effort. (\$76,030.)

II. Internal Funding

- “Public Health Literacy: From Concept to Measure.” Wisconsin Alumni Research Foundation / University of Wisconsin-Madison Graduate School Fall Research Competition. September 2013-May 2014. Co-Investigator (with Brian D. Christens and Paula Tran Inzeo: \$26,033)

- “Coalition Building for Community Health in Milwaukee.” UW-Madison Institute for Clinical and Translational Research, Type 2 Translational Research Pilot Grant. Principal Investigator. August 2012-July 2013. (\$49,306.)
- “Broadening Public Health Genetic Services: Science as a Driver of Institutional Change.” Wisconsin Alumni Research Foundation / University of Wisconsin-Madison Graduate School Fall Research Competition. Principal Investigator. March 1, 2011-June 30, 2012. (\$27,050.)
- “Barriers and Benefits in the Delivery of Public Health Genetics Programs.” UW-Madison Department of Family Medicine Small Grants program. Principal Investigator. December 27, 2010-June 30, 2012. (\$4,000.)
- “Public Health in Rural and Urban Communities.” Course Development Grant, Robert Wood Johnson Foundation and the University of Wisconsin-Madison. Principal Investigator. Summer 2009. (\$5,000.)

Awards and Honors

- 2016 Faculty Mentorship Award, The Graduate Sociology Society, Northeastern University
- University Housing Honored Instructors Award, University of Wisconsin-Madison (Spring 2010)
- Karen Wetterhahn Memorial Award, National Institute of Environmental Health Sciences, Superfund Basic Research Program (2008)
- Switzer Environmental Fellowship, Robert & Patricia Switzer Foundation (2007-2008)
- University Dissertation Fellowship, Brown University Graduate School (2007-2008)
- University Fellowship, Brown University Graduate School (2003-2004)

Research and action for environmental health and environmental justice: a report on the Brown University Contested Illnesses Research Group. *Collective Behavior and Social Movements Section Newsletter*, American Sociological Association.

Presentations

I. International Presentations

- **Senier, Laura** and Lauren Nicoll. 2015. Public Health: Enforcing Physician Autonomy via Evidence-Based Medicine. Oral presentation at the Society for Social Studies of Science. Denver, CO.

- **Senier, Laura.** 2014. Integrating Genomics into State Public Health Programs. Oral presentation at the History of Science Society Annual Meeting, Chicago, IL.
- **Senier, Laura, Jessica von Reyn, and Jason Orne.** 2013. Professional dominance as a barrier in research translation. Oral presentation at the Society for Social Studies of Science. San Diego, CA.
- **Senier, Laura.** 2009. Gene-environment interactions in cancer epidemiology: mapping controversies in research methods and research translation. Presentation at the Society for the Social Study of Science Annual Meeting, Washington, DC.
- Morello-Frosch, Rachel, Rebecca Gasior Altman, **Laura Senier**, and Phil Brown. 2007. Research in communities, with communities: case studies linking research and action in STS. Presentation at the Society for the Social Study of Science Annual Meeting, Montreal, Quebec.

II. National Presentations

- **Senier, Laura, Rachael Lee, and Lauren Nicoll.** 2016. Public Health Action for HBOC Screening: Enforcing Physician Autonomy via Evidence-Based Medicine. Oral Presentation at the 2016 NHGRI Research Training and Career Development Annual Meeting, Bethesda, MD.
- **Senier, Laura, Rachael Lee, Lauren Nicoll, Michael Shields, Danielle Falzon, and Boris Templeton.** 2016. Negotiating the Evidentiary Turn in Public Health: Integrating Genomics Into a State Health Agency's Mission. Oral presentation at the American Sociological Association Annual Meeting, Seattle, WA.
- **Senier, Laura, Cynthia Lin, and Boris Templeton.** 2015. Community Health Partnerships: Framing and Brokering Strategies in Three Milwaukee Neighborhoods. Oral presentation at the American Sociological Association Annual Meeting, Chicago, IL.
- **Senier, Laura, Phil Brown, Sara Shostak, and Bridget Hanna.** 2015. The Socio-Exposome: Advancing Environmental Science in a Post-Genomic Era. Oral presentation at the American Sociological Association Annual Meeting, Chicago, IL.
- **Senier, Laura and Lauren Nicoll.** 2015. Public Health: Enforcing Physician Autonomy via Evidence-Based Medicine. Oral presentation at the 25th Anniversary Celebration of the Science, Knowledge, and Technology Section of the American Sociological Association Annual Meeting, Chicago, IL.
- **Senier, Laura, Jessica von Reyn, and Jason Orne.** 2014. Implementing a Patient-Centered Medical Home: Interprofessional Conflict as a Barrier in Population Health. Oral presentation at the American Sociological Association Annual Meeting, San Francisco, CA.
- **Senier, Laura, Jason Orne, and Matthew Kearney.** 2012. Planning for state and local public health services in a genomic era: Health equity across the life course. Oral presentation at the American Public Health Association Annual Meeting, San Francisco, CA.
- **Vatovec, Christine, Laura Senier, and Michael Bell.** 2012. Greening healthcare delivery: Environmental and human health impacts of medical practice. Poster presented at the American Public Health Association Annual Meeting, San Francisco, CA.

- Smith, Rachel, **Laura Senier**, Matthew Kearny, and Jason Orne. 2012. Health insurance coverage for genetic services in Wisconsin. Presentation at the American Sociological Association Annual Meeting, Denver, CO.
- Vatovec, Christine, **Laura Senier**, and Michael Bell. 2012. Death and the environment: an ecological perspective of end-of-life medicine. Presentation at the American Sociological Association Annual Meeting, Denver, CO.
- **Senier, Laura**, Matthew Kearney, and Jason Orne. 2011. Ensuring access to public health genetic services among rural and urban residents of Wisconsin. Presentation at the American Public Health Association Annual Meeting, Washington, DC.
- **Senier, Laura**. 2011. Interdisciplinary boundaries and cross-cultural communication among chronic disease epidemiologists. Presentation at the American Sociological Association Annual Meeting, Las Vegas, NV.
- **Senier, Laura**. 2010. Synthesizing genetic knowledge and translating it to public health practice. Presentation at the American Sociological Association Annual Meeting, Atlanta, GA.
- Brown, Phil, Crystal Adams, Alison Cohen, Christopher Gibson, Elizabeth Hoover, Ellie Leonard, **Laura Senier**, Ruth Simpson. 2008. Promoting community outreach: Supporting the creation of the Environmental Justice League of Rhode Island (EJLRI). Poster presented at the NIEHS Superfund Basic Research Program Annual Meeting, Asilomar, California.
- Rosenthal, Marsha, Kathleen Jackson, **Laura Senier**, Renee Shield, and Theresa Viggiano. 2008. Harnessing health beliefs to improve self-care: preliminary findings in the context of assisted living. Presentation at the Gerontological Society of America Annual Meeting, Bethesda, Maryland.
- Brown, Phil, Rachel Morello-Frosch, Julia Green Brody, Rebecca Gasior Altman, Ruthann A. Rudel, **Laura Senier**, and Carla Pérez. 2008. IRB challenges in community-based participatory research on human exposure to environmental toxins. Presentation at the American Sociological Association Annual Meeting, Boston, MA.
- **Senier, Laura**. 2008. Everything old is new again: genetics, professionalization, and public health. Presentation at the American Sociological Association Annual Meeting, Boston, MA.
- Brown, Phil, **Laura Senier**, Elizabeth Hoover, Crystal Adams, Rebecca Tillson, and Alison Cohen. 2007. Building stakeholder involvement in Brownfields redevelopment: crafting a statewide policy to ensure environmental justice and stakeholder equity. Presentation at the NIEHS Superfund Basic Research Program Annual Meeting, Durham, North Carolina.
- Brown, Phil, Rachel Morello-Frosch, Stephen Zavestoski, **Laura Senier**, Rebecca Altman, Elizabeth Hoover, Sabrina McCormick, Brian Mayer, and Crystal Adams. 2007. Policy ethnography and field analysis: new directions for studying health social movements. Presentation at the Social Movements and the Development of Health Institutions Conference, Ann Arbor, Michigan.

- **Senier, Laura**, Phil Brown, Benjamin Hudson, Sarah Fort, Elizabeth Hoover, and Rebecca Tillson. 2007. The Brown Superfund Basic Research Program: a multistakeholder partnership addresses real-world problems in contaminated communities. Presentation at the American Sociological Association Annual Meeting, New York City, New York.
- **Senier, Laura**, Kelly Pennell, Elizabeth Hoover, Phil Brown, and Eric Suuberg. 2006. Targeting diverse audiences for research translation and community outreach. Poster presented at the Superfund Basic Research Program Annual Meeting, San Diego, CA.
- Brown, Phil, **Laura Senier**, and Elizabeth Hoover. 2006. A model home equity loan program for areas with highly contaminated property. Presentation at the National Environmental Public Health Conference, Atlanta, GA: Centers for Disease Control and Prevention and the Agency for Toxic Substance and Disease Registry.
- Scammell, Madeleine, **Laura Senier**, and Jennifer Darrah. 2006. Tangible evidence, trust and power: interlocking systems of perception of community environmental health studies. Presentation at the American Sociological Association Annual Meeting, Montreal.
- **Senier, Laura**, Brian Mayer, Phil Brown, and Rachel Morello-Frosch. 2006. School approaches to green cleaners: new approaches to labor-environmental coalitions. Presentation at the American Sociological Association Annual Meeting, Montreal.
- Pennell, Kelly, **Laura Senier**, Phil Brown, and Eric Suuberg. 2006. Reuse in Rhode Island: research translation and outreach to communities coping with complex mixtures. Superfund Basic Research Program Annual Grantees Meeting, New York City, NY.
- **Senier, Laura**. 2005. Risk balanced by trust: parental perceptions of vaccine safety. Paper presented at the American Sociological Association Annual Meeting. Philadelphia: PA.
- **Senier, Laura**, Nicole S. Bell, Holly E. Toboni, Jeffrey O. Williams, and Paul J. Amoroso. 2004. Changes in drinking patterns among 21,751 U.S. Army soldiers, 1991-1998. Poster presented at the 132nd Annual Meeting, American Public Health Association, Washington, D.C.
- **Senier, Laura**. 2004. The cathedral and the bazaar: cognitive-institutional models of the risk relationship between childhood vaccines and autism. Presentation at the American Sociological Association Annual Meeting, San Francisco, CA.
- Bell, Nicole S., Paul J. Amoroso, David H. Wegman, and **Laura Senier**. 2001. Proposed explanations for excess injury among veterans of the Persian Gulf War. Poster presented at the Conference on Illnesses among Gulf War Veterans: A Decade of Scientific Research, Alexandria, Virginia.
- **Senier, Laura**, Nicole S. Bell, Michelle M. Yore, and Paul J. Amoroso. 2000. Hospitalizations for fall-related injuries among active-duty Army soldiers, 1980-1998. Poster presented at the 14th Annual Conference on Military Medicine, Bethesda, Maryland.

III. Regional and Local Presentations

- **Senier, Laura**, Cynthia Lin, Boris Templeton, and Lauren Contorno. 2016. Brokering environmental justice: Community health partnerships in three Milwaukee neighborhoods. Presentation at the Department of Sociology & Anthropology, Northeastern University, Boston, MA.
- **Senier, Laura**. 2014. Synthesizing genetic epidemiology and translating it to public health practice. Presentation at the Slone Epidemiology Unit, Boston University School of Public Health, Boston, MA.
- **Laura Senier**. 2014. Integrating genomics into state public health programs. Presentation to the College of Social Science & Humanities' Faculty Works in Progress seminar. Northeastern University, Boston, MA.
- **Senier, Laura**. 2013. Bringing Together Stakeholders Concerned about Public Health and Environmental Justice. Presentation at the Milwaukee Community Engaged Research Network, Center for Urban Population Health.
- **Senier, Laura**, Jessica von Reyn, and Jason Orne. 2013. Professional dominance as a barrier in Research Translation. Presentation at the Health Policy and Law Roundtable, Northeastern University Law School, Boston, MA.
- **Senier, Laura**. 2011. Blue-Green Coalitions. Presentation at University of Wisconsin-Whitewater.
- **Senier, Laura**. 2011. Intradisciplinary Boundaries and Cross-Cultural Communication among Chronic Disease Epidemiologists. Presentation at the Department of Population Health Sciences, University of Wisconsin-Madison.
- **Senier, Laura**. 2010. Synthesizing Genetic Knowledge and Translating It to Public Health Practice. Presentation at the Holtz Center for Science and Technology Studies, University of Wisconsin-Madison.

Invited Presentations

- **Senier, Laura**. 2016. The Turn to Evidence-Based Public Health: How State Agencies Are Promoting Screening for Hereditary Cancer Syndromes. Keynote presentation at the Connecticut Cancer Partnership Annual Meeting. Rolling Hills, CT. December 6, 2016.
- **Senier, Laura**. 2016. Brokering Environmental Justice: Community Health Partnerships in Three Milwaukee Neighborhoods. Presentation at the Brown Superfund Research Program, Brown University, Providence, RI. October 28, 2016.
- **Senier, Laura**. 2010. Public Schools and Contaminated Land in Rhode Island: Integrating Research, Research Translation, and Advocacy through the NIEHS Superfund Research Program. Presentation at the National Institute of Environmental Health Sciences, Research Triangle Park, NC.
- **Senier, Laura**. Public Schools and Contaminated Land in Rhode Island: Using SBRP Research Translation and Community Outreach to Foster Research and Advocacy. Presentation at the NIEHS Superfund Basic Research Program Annual Meeting, Asilomar, California. December 9, 2008.

Completed Research Experience

- 4/18/2005-3/31/2009 "Reuse in RI: A state-based approach to complex exposures." NIEHS P42ES013660. PI: Kim Boekelheide. Role: Research assistant, Community Outreach Core.
- 2/15/2004-1/31/2008 "Blue and green shades of health: the comparative framing of health risks in the labor and environmental movements." NSF-SES 0350691. PI: Phil Brown. Role: Research assistant
- 9/2/2001-8/31/2006 "Alcohol and intentional injury in the US Army." NIH/NIAAA 1 R01 AA13324. PI: Nicole S. Bell. Role: Research assistant
- 12/1/1998-4/30/2003 "Alcohol use and injury outcomes in the US Army." NIH/NIAAA 1 R01 AA11407. PI: Nicole S. Bell. Role: Research assistant
- 12/1/1998-6/24/2001 "Stress, Behavior & Health: Developing a Model for Predicting Post-Deployment Morbidity, Mortality and Other Adverse Outcomes." USAMRAA DAMD 17-98-8610. PI: Nicole S. Bell. Role: Research assistant
- 12/1/1998-6/24/2001 "Preventing the consequences of alcohol abuse: Identification of soldiers at high risk for fatal and serious injuries." USAMRAA DAMD 17-01-1-0676. PI: Nicole S. Bell. Role: Research assistant

Teaching Experience

Courses Taught: Northeastern University—Department of Sociology & Anthropology

Sociology of Health & Illness (SOCL3441), Spring 2014, 36 students. Fall 2015, 14 students. Fall 2016, 12 students.

Courses Taught: Northeastern University—Department of Health Sciences

Qualitative Research in Health & Illness (PHTH6320), Spring 2016, 10 students.

Courses Taught: University of Wisconsin-Madison

Environmental Stewardship and Social Justice (C&ES541), University of Wisconsin-Madison, Spring 2010, 18 students.

Public Health in Rural & Urban Communities (C&ES533). University of Wisconsin-Madison, Spring 2011, 35 students; Spring 2012, 33 students.

Advising

Graduate Student Advising, Northeastern University, Department of Sociology & Anthropology

- Nicoll, Lauren. Department of Sociology & Anthropology. Committee Member. (Dissertation defended February 2016.) "The Legitimacy of Online Programs in Academic Departments."

- Hovey, Christopher. Department of Sociology & Anthropology. Committee Member. (Dissertation proposal defended fall 2015.) "Innovation Adoption in Post-Secondary Computer Science Education."
- Lee, Rachael. Department of Sociology & Anthropology. Departmental advisor. Chair, Medical Sociology field statement (defended June 2015). Chair, Environmental Sociology field statement (defended April 2016). Chair, Doctoral dissertation.
- Templeton, Boris. Department of Sociology & Anthropology. Departmental advisor. Member, Environmental Sociology field statement.
- Richter, Lauren. Department of Sociology & Anthropology. Member, Environmental Sociology field statement (defended March 2016). Dissertation committee member.
- Clark, Stephanie. Department of Sociology & Anthropology. Member, Environmental Sociology field statement.
- Wilder, Elisabeth. Department of Sociology & Anthropology. Member, Environmental Sociology field statement.
