- 1997-1999 Lesbian and Gay Political Alliance of Massachusetts. Chair 1998-99, vice chair 1997-98.
- 1994-1996 The 'Bury, monthly newspaper written by Roxbury, MA youth. Editorial advisor.
- 1994-1999 Coalition Against the Asphalt Plant, Boston. Prevented construction of asphalt plant in Roxbury, Massachusetts, neighborhood with high asthma rates.

Program or project development

- 2011-2013 Helped develop New York University Post-Master's Advanced Certificate in LGBT Health, Education and Social Services.

Testimony, governmental and United Nations briefings

- 2018 Congressional briefings, one for Members only and one for staff. "Rolling back progress: How shifts in Federal policy are hurting lesbian, gay, bisexual and transgender Americans." May 17. American Psychological Association, Center for American Progress, Fenway Institute.
- 2017 Testimony to Governor's Commission on Aging re: LGBT older adults, Gloucester, MA.
- 2016 Testimony to Boston City Council, Committee on Healthy Women, Families and Communities. "Racial and ethnic disparities in HIV burden among young gay and bisexual men."
- 2015 Special Legislative Commission on Lesbian, Gay, Bisexual and Transgender Aging. Report to the Commonwealth. "Overarching Recommendations." Massachusetts State House.
- 2013 Health Information Technology Policy Committee, testimony in support of including sexual orientation and gender identity questions in electronic health records as part of Stage 3 Meaningful Use Guidelines.
- 2013 Out of home LGBT youth research and policy convening. Cosponsored by Massachusetts Commission on LGBTQ Youth and the Fenway Institute. Participants included staff from Mass. Department of Elementary & Secondary Education, Department of Public Health, Department of Children & Families, Boston City Councilor Tito Jackson. Organizer.
- 2010 White House Office of National AIDS Policy meeting about aging and HIV; organizer and moderator.

- 2010 State Assembly. Albany, New York. HIV and Aging.
- 2010 “Entry Denied: What You Need to Know about HIV Related Travel Restrictions.” United Nations General Assembly High-Level Meeting on AIDS. Organized by International AIDS Society, Gay Men’s Health Crisis and UNAIDS.
- 2009 Congressional briefing on HIV and aging. Moderator. Coincided with convening of federal policymakers and advocates on aging, HIV, at AARP. Lead organizer.
- 2009 Congressional briefing on implementation of men who have sex with men (MSM) provisions of President’s Emergency Plan for AIDS Relief (PEPFAR). Speakers included PEPFAR Ambassador Eric Goosby, UNAIDS Executive Director Michel Sidibe. Organized along with UNAIDS, Global Forum on MSM and HIV, other groups.
- 2009 Congressional briefing on syringe exchange and HIV prevention, spring 2009. Organized with AIDS Action Council, most other major big city AIDS organizations.
- 2008 Congressional briefing on MSM prevention and research provisions of PEPFAR. Organized along with Global Forum on MSM and HIV, APLA, other groups.
- 2008 United Nations General Assembly Special Session (UNGASS) in HIV/AIDS. Public forum on U.S. HIV entry ban. Lead organizer.
- 2008 “Undermining public health and human rights: The United States HIV entry ban.” Convening on HIV entry ban to coincide with UNGASS. Ford Foundation, New York.
- 2008 Congressional briefing on need for a national AIDS strategy. Organizer.
- 2007 Congressional briefing on gay men, crystal methamphetamine, and HIV. Organizer.
- 2004 Testimony on same-sex marriage to U.S. Senate Judiciary Committee, Subcommittee on the Constitution, Civil Rights, and Property Rights.
- 2002 Testimony to U.S. House Ways and Means Committee on Welfare Reform Reauthorization. Subcommittee on Human Resources, U.S. House of Representatives, Washington, DC.
- 2001 Congressional briefing on Outing age: Public policy issues affecting gay, lesbian, bisexual and transgender elders.

EDITORIAL ACTIVITIES

Editorial board membership

2019-present Annals of LGBTQ Public and Population Health, Senior Associate Editor

2018-present LGBT Health, Associate Editor

- 2013-2018 LGBT Health, Editorial Board Member.
- 2003-2008 Journal of Gay and Lesbian Issues in Education, Editorial Board Member.

Peer review activities

- 2019-present The Joint Commission Journal on Quality and Patient Safety
- 2018-2019 Reviewer, Reproductive Health, JAMA, Cancer
- 2017-2019 Reviewer, Editorial Office for the Patient-Centered Outcomes Research Institute, and the following journals: Applied Clinical Informatics, JAMA Internal Medicine, Evaluation and Program Planning, Journal of the International AIDS Society, Health Equity, Violence and Gender
- 2016-2019 Reviewer, New England Journal of Medicine, Annals of Internal Medicine, Journal of Consulting and Clinical Psychology, Journal of Applied Gerontology, Research on Aging, Transgender Health, Health Services Research Journal, European Psychiatry.
- 2016-2017 Guest editor, LGBT Health special issue on aging
- 2015-2019 Reviewer, BMC Public Health, Sexuality Research and Social Policy, Journal of Homosexuality, Journal of the International Association of Providers of AIDS Care, BMC Health Services Research, Berkeley Review of Education.
- 2013-2019 Reviewer, MedEdPORTAL® Publications LGBT Collection.
- 2012-2019 Reviewer, American Journal of Public Health, Military Medicine, Journal of Public Health, WHO South-East Asia Journal of Public Health

Editorial positions

- 2008-2011 AcHieVe, a quarterly journal on HIV prevention, treatment and politics. Editor-in-chief. Publication of AIDS Community Research Initiative of America and Gay Men’s Health Crisis.
- 2007-2011 Treatment Issues. GMHC HIV treatment activist publication, monthly section of Poz magazine. Assistant editor.

RESEARCH SUPPORT

Current

Co-Principal Investigator, “Reducing health disparities through quality improvement.” **Centers for Medicare and Medicaid Services, Office of Minority Health**, NORC at the University of Chicago, Fenway Institute. Conduct policy analysis, needs assessments, environmental scans, strategy development and community education regarding disparities affecting LGBT Medicare beneficiaries. \$978,525 over 5 years, 2019-2024.

Co-Principal Investigator. Developing Tools to Engage Adolescent MSM. **Centers for Disease Control and Prevention, Division of Adolescent and School Health**, NORC at the University of Chicago, Fenway Institute. Analyze qualitative data and develop tools to improve HIV/STI prevention and screening among adolescent gay and bisexual males and transgender youth. \$99,540. (2018-2019).

Director of Curriculum, “Using evidence informed-interventions to improve health outcomes.” **Health Resources Services Administration, HIV/AIDS Bureau**. Training and technical assistance project of the Fenway Institute in collaboration with AIDS United. Focused on integrating behavioral health care into medical care, and using a trauma-informed approach, in order to improve retention in care and HIV treatment outcomes with Black MSM and transgender women of all races. \$21 million over 4 years (2017-2021). \$16 million is being re-granted to AIDS Service Organizations.

Principal Investigator, “LGBT Aging 2025: Strategies for Achieving a Healthy And Thriving LGBT Older Adult Community in Massachusetts.” **The Boston Foundation Equality Fund**. Conduct listening sessions across Commonwealth with LGBT older adults and service providers; analyze population-based data on LGBT older adults; research and write comprehensive report articulating the vision and recommendations for city and state government officials and elder service providers to strengthen the LGBT elder community; convene meeting of key stakeholders at which this vision is articulated and launched. \$10,000 (2019-2020).

Project Director, “Mobilizing the Massachusetts LGBT community for Census 2020.” **Massachusetts Census Equity Fund**. Policy analysis, media and social media advocacy, community mobilization to educate LGBT people about the importance of participation for federal funding and political representation, and about the usefulness of the cohabiting same-sex household dataset, which represents 10% of the Massachusetts LGBT community. \$6,000 (2019-2020).

Team Member. “Improving the health of Sexual and Gender Minority patients through cultural competence and skill training of Community Health Center staff”. Patient Centered Outcomes Research Institute (PCORI). Fenway Institute and Community Health Applied Research Network. Contract AD-2017C1-6271. \$2,075,664.20. (2018-2021).

Past

Co-Principal Investigator, “Planning, designing, implementing and evaluating programs: Reducing disparities through quality improvement.” **Centers for Medicare and Medicaid Services, Office of Minority Health**, NORC at the University of Chicago, Fenway Institute. Conduct policy analysis, needs assessments, environmental scans, strategy development and community education regarding disparities affecting dual eligible racial/ethnic minorities, people with disabilities, and LGBT people. Created training for providers through Medicare Learning Network on how to collect and use sexual orientation and gender identity (SOGI) data to improve quality of care. \$900,000 over 5 years, 2014-2019. (This is total amount of money that goes to Fenway Institute from Request for Task Order Proposal grant.)

Co-Principal Investigator, “Developing tools to engage adolescent men who have sex with men (MSM) and transgender youth.” **Centers for Disease Control and Prevention, Division of Adolescent and School Health**, NORC at the University of Chicago, Fenway Institute. HIV prevention research project with NORC at the University of Chicago involving an online survey,

focus groups with youth and adult service providers, and the development of tools to better promote HIV prevention and testing with young gay and bisexual men and transgender individuals. \$821,560 over three years, 2015-2018. (This is total amount of money that went to Fenway Institute from Request for Task Order Proposal grant.)

Principal Investigator, LGBT Data Research Project, part of the **Boston Foundation**'s Boston Indicators Project. \$10,000 to provide a demographic portrait of the LGBT community based on population-based data such as the American Community Survey, U.S. Census Bureau data, Gallup poll data, BRFSS and YRBS as well as other data sets. Focus on health and well-being Indicators, resiliency and unmet needs. Lead author of *Equality and Equity: Advancing the LGBT Community in Massachusetts*, published by the Boston Foundation' Boston Indicators Project and the Fenway Institute. Launched at a convening of civic and philanthropic leaders, May 2018. 2017-2018.

Director of Curriculum and Policy, "National Center for Innovation in HIV Care." **Health Resources Services Administration, HIV/AIDS Bureau**. Training and technical assistance project of the Fenway Institute in collaboration with AIDS United and the AIDS Resource Center

of Wisconsin. Provided training and technical assistance to Ryan White-funded AIDS service organizations and community-based organizations to help them navigate the changing health care

landscape. The Center worked to improve outcomes along the HIV continuum of care and increase viral suppression rates among ASO/CBO clients by encouraging them to develop formal relationships with core medical providers or become health care providers themselves. It also provided tools to help ASOs/CBOs diversify their funding streams and increase their sustainability and viability for the future. \$240,000 a year over three years (2014-2017); \$190,000 of this funding went to the Fenway Institute, the project lead.

Co-Principal Investigator. "A Best Practices White Paper Specific to Lesbian, Gay, Bisexual, Transgender and Intersex (LGBTI) Juvenile Offenders in Corrections." **National Institute of Corrections**. Partnership between the Fenway Institute, the Center for Prisoner Health and Human Rights at the Miriam Hospital, Brown University Medical School, and Gay and Lesbian Advocates and Defenders to convene a working group, research and write a white paper/policy analysis on issues affecting LGBTI juveniles offenders in state custody. \$10,000 to Fenway Institute. 2014-2015.

Project Director. "A new way forward: Rethinking HIV/AIDS awareness among LGBT communities." **Elton John AIDS Foundation**. Partnership between the Fenway Institute and the Human Rights Campaign to increase understanding of HIV prevention and care, including new biobehavioral approaches (PrEP, Treatment as Prevention) among MSM and transgender women in Alabama, Mississippi, and Arkansas (focus on young Black gay men) and increase LGBT cultural competency among health care providers and HIV prevention and care providers in those states. \$300,000, \$75,000 of which went to the Fenway Institute. 2014-2015.

Project Director. "Sexual orientation and gender identity data collection in Electronic Health Records." **Robert Wood Johnson Foundation** grant to support the Fenway Institute and the Center for American Progress's work promoting the collection of SOGI data in Electronic Health Records through Stage 3 Meaningful Use Guidelines. Created "Do Ask, Do Tell: A Toolkit for Collecting Sexual Orientation and Gender Identity Data in Clinical Settings" (www.doaskdotell.org) modeled after American Hospital Association's racial/ethnic health

disparities data collection toolkit. \$87,500, about \$60,000 of which went to the Fenway Institute. 2014-2015.

Project Director. “Ensuring Cultural Competency in Home Care for LGBT Elders in Greater Boston.” **Boston Foundation Equality Fund.** Focus group research and policy analysis to identify strategies for Area Agencies on Aging, state and local aging departments, and elder service providers to ensure home care aides provide culturally competent and nondiscriminatory care to LGBT elders. \$15,000. 2013-2014.

Co-Principal Investigator. “Development of Materials Specific to Lesbian, Gay, Bisexual, Transgender and Intersex (LGBTI) Offenders in Corrections.” **National Institute of Corrections.** Partnership between the Fenway Institute and the Center for Prisoner Health and Human Rights at the Miriam Hospital, Brown University Medical School to convene a working Group, research and write a white paper/policy analysis on this issue. \$15,000 to the Fenway Institute. 2013-2014

Co-Investigator. “Reducing Health Disparities in LGBTQ Youth of Color.” **National Institutes of Health, National Institute of Minority Health and Health Disparities.** Three years of funding to develop, through community-based participatory research, and pilot test an intervention addressing a health disparity prioritized by LGBTQ youth of color in Boston. Partnership between the Fenway Institute, the Boston Alliance of GLBT Youth, and the Justice Resource Institute/Boston Gay and Lesbian Adolescent Social Services. \$1,073,179 over 3 years, \$791,866 of which went to the Fenway Institute. 2012-2015.

2011-present Project manager of following studies, published by The Fenway Institute:

New rule proposes removal of LGBT nondiscrimination provisions from Section 1557 and other health care regulations. The Fenway Institute (2019).

Promoting Cervical Cancer Screening Among Female-to-Male Transmasculine Patients. The Fenway Institute (2019).

Models for improving linkage to care for people living with HIV released from jail or prison. The Fenway Institute, National Center for Innovation in HIV Care (2017).

Resolving the current injectable estrogen shortage: A public health imperative. The Fenway Institute, the Callen-Lorde Health Center, Treatment Action Group (2016).

Gun violence and LGBT health. The Fenway Institute (2016).

The 2016 presidential candidates on important health equity issues. The Fenway Institute, Harlem United (2016).

Gathering Sexual Orientation Data on Statewide Behavioral Risk Factor Surveillance Surveys: A Call to Action for States (2014).

Promoting Cervical Cancer Screening Among Lesbians and Bisexual Women (2013).

Promoting HPV Vaccine to Prevent Genital Warts and Cancers (2012).

2009-2011 **NIH National Cancer Institute**-funded Development of an HIV/AIDS and Cancer Community Research Collaboration. Community Co-Investigator of research, prevention and screening collaboration among Gay Men's Health Crisis, Memorial Sloan Kettering Cancer Center, and City College of New York, NIH Administrative Supplement to parent grant U54 (3U54CA137788-02S1). 9/1/09-8/31/10, extended through 2013. Amount \$200,000.

2009-2011 Service needs, social support networks, and social isolation among older adults living with HIV. Survey of 180 GMHC clients. Research partnership with the AIDS Community Research Initiative of America.

2007-2011 Project manager of following studies, all published by Gay Men's Health Crisis:

2010 GMHC. A Drive for Change: Reforming U.S. Blood Donation Policies.

2009 GMHC. Syringe Exchange Programs Around the World: The Global Context.

2009 GMHC. Syringe Exchange: An Effective Tool in the Fight Against HIV and Drug Abuse.

2009 Mieses A. New York City Mayoral Candidates and HIV/AIDS Policy.

2009 Gutierrez J. Undermining Public Health and Human Rights: The United States HIV Travel and Immigration Ban.

2008 GMHC. McCain-Palin vs. Obama-Biden on HIV/AIDS.

Grants from the **Arcus Foundation**, the **Overbrook Foundation**, the **MAC AIDS Fund**, the **Ford Foundation**, and other funders supported the policy research conducted at Gay Men's Health Crisis.

2006 Health Care Equality Index, Gay and Lesbian Medical Association and Human Rights Campaign, Community Advisory Group.

2003-2008 Sexual Minority Assessment Research Team. **Ford Foundation**-funded multidisciplinary group of academic, governmental and other researchers working to survey gay, lesbian and bisexual populations (by behavior, attraction, and/or identity) on federally-funded studies.

1999-2007 Project manager of following studies, all published by the National Gay and Lesbian Task Force Policy Institute:

2007 National Gay and Lesbian Task Force Policy Institute, BiNet USA, and the Fenway Institute Bisexual Health: An Introduction and Model Practices for HIV/STI Prevention Programming.

- 2016 ViiV Community Summit, Fort Lauderdale, FL. “Organizations transforming: A look at the evolving AIDS Service Organization landscape.”
- 2016 Fenway Health, Board of Visitors semiannual meeting, Boston. “Discrimination, data collection, and LGBT health disparities.”
- 2016 American Public Health Association, Summer Institute in LGBT Health Reunion, Denver. “A damburst of dreams on LGBT data collection.”
- 2016 American Heart Association, American Stroke Association. Northeast Health Equity Consortium. “LGBT health disparities related to heart disease and stroke.” Old Saybrook, CT.
- 2016 Justice Resource Institute. Beyond the basics: Advancing care for LGBTQ+ youth and young adults. “Mental health and substance use among LGBTQ youth.” Boston.

- 2016 Harvard Law School. Incomplete justice: The ongoing struggle for full LGBTQ equality in our local communities. Lambda conference. “Recent developments in LGBT health policy.” Cambridge, MA.
- 2016 U.S. Conference on AIDS, National Minority AIDS Council, Hollywood, Florida. “HIV/AIDS service organizations growing to provide medical care in the South.” Organizer and moderator. “Collection and use of data to improve HIV outcomes among women.” Panelist. With Amy Lansky, Director, White House Office of National AIDS Policy.
- 2016 New Jersey Hospital Association conference. “What the new ACA nondiscrimination rule means for providers and LGBT patients.”
- 2016 National Ryan White Conference on HIV Care and Treatment. “Transgender women, feminizing hormones, and PrEP: What we know and what we need to know.” Presenter and organizer. “Incarceration, sexual victimization, reintegration, and the HIV care continuum.” Presenter and organizer. “National Center for Innovation in HIV Care.” Presenter at meeting between HRSA HIV/AIDS Bureau leadership and national cooperative agreements. Washington, DC.
- 2016 American Statistical Association, Joint Statistical Meeting, Chicago. “Expanding capacity for the measurement of sexual orientation and gender identity in federal surveys.” Discussant. Panel included leaders from U.S. Office of Management and Budget, Census Bureau, Centers for Medicare and Medicaid Services, and Bureau of Justice Statistics.
- 2016 Massachusetts General Hospital. “Health policy research.” Presentation to psychiatry interns.
- 2016 AIDS 2016, International AIDS Conference, Durban, South Africa. “Competent and affirming health care for gay and bisexual men/MSM and transgender women as a broader context for HIV care and prevention.” Satellite session focused on clinical skills-building. Chair and organizer. “Strategies to improve the health of older adults living with HIV.” Satellite session on HIV and aging. Presenter. “U.S. Ryan White HIV/AIDS Program’s support for comprehensive enabling services, integrated care helps PLWH remain in care, achieve viral suppression.” Poster presentation. Coauthored with Kenneth Mayer, M.D. and Stephen Boswell, M.D.
- 2016 Academy Health, Boston. “Identifying best practices for asking about sexual orientation and gender identity with Medicare beneficiaries.” Coauthors Chris Haffer, Centers for Medicare and Medicaid Services Office of Minority Health, and Tim Wang, Fenway Institute.
- 2016 VITAL Conference, America’s Essential Hospitals, Boston. “Collecting and using sexual orientation, gender identity data in EHRs.” Critical conversation with Leandro Mena, M.D., University of Mississippi Medical Center, and Kellan Baker, MPH, Center for American Progress.
- 2016 Massachusetts Executive Office of Elder Affairs. “Collecting sexual orientation, gender identity data from older adults to improve services.” Webinar with Family Caregiver

- Support staff from across Massachusetts. Co-presented with Bob Linscott, Assistant Director, LGBT Aging Project.
- 2016 Northeastern University School of Public Policy and Urban Affairs. “Federal and state policy changes to advance LGBT health equity.”
- 2016 Massachusetts Executive Office of Elder Affairs. “Collecting sexual orientation, gender identity data from older adults to improve services.” Webinar with Aging Service Access Point (ASAP) staff from across Massachusetts. Co-presented with Bob Linscott, Assistant Director, LGBT Aging Project.
- 2016 Bi-State Primary Care Association (Vermont and New Hampshire) Medical Directors Meeting. Webinar for the National LGBT Health Education Center. “Do ask, do tell! Collecting data on sexual orientation and gender identity in health centers.”
- 2016 Kraft Family National Center for Leadership and Training in Community Health, Class of 2016 and Class of 2017 Joint Learning Day. “Research, policy analysis, and education to improve HIV prevention and care.” Panel with Alex Gonzalez, M.D., Medical Director of Fenway Health, and Lori Panther, M.D., Associate Medical Director for Clinical Research, Fenway Institute, Boston.
- 2016 Boston College School of Social Work. “The Massachusetts Special Legislative Committee on LGBT Aging: Improving services.”
- 2016 National Association of State and Territorial AIDS Directors 2016 Eastern Regional Meeting. “Collecting sexual orientation and gender identity data in Electronic Health Records.” Boston.
- 2016 Salem State University. LGBT Elders in an Ever Changing World. “The Special Legislative Commission on Lesbian, Gay, Bisexual, and Transgender Aging Report: Implementing Policy Change and Service Improvement in Massachusetts.” With Dale Mitchell, Ethos, Member of Mass. LGBT Aging Commission. Salem, Massachusetts.
- 2016 Harvard University LGBTQ Conference, Beyond Marriage. Panel: “LGBTQ Health: Destructive Disparities.”
- 2015 National Center for Innovation in HIV Care webinar. “National HIV/AIDS Strategy 2020 and the Federal Action Plan: Implications for ASOs, CBOs, and Community Health Centers.”
- 2015 Public Responsibility in Medicine and Research Advancing Ethical Research Conference. “Research with and about LGBT people.” Panel with John Guidry, Gay Men’s Health Crisis. Boston.
- 2015 National Association of Community Health Centers. Financial Operations Management/ Information Management Conference. “Collecting social determinants of health data to reduce disparities and improve outcomes.” Panel with Rosy Chang Weir (Association of Asian Pacific Community Health Organizations) and Chris Grasso (Fenway Institute). Las Vegas.

- 2015 Harvard University, Harvard Gender and Sexuality Caucus, Harvard Alumni Association. What Should We Do After “I Do”? “Minding our elders: The greying of the LGBTQ community.” Organizer and moderator.
- 2015 Office of Minority Health Resource Center. Higher Education Technical Assistance Project Regional Training. “Our Health Matters: Reducing health disparities with Boston LGBTQ youth of color.” Session 8: Women, Youth, and Community Partnerships. Simmons College, Boston.
- 2015 Forum for Collaborative HIV Research. National Summit on HCV and HIV Diagnosis, Prevention and Access to Care. “The Ryan White HIV/AIDS Program in the age of health care reform.” Arlington, VA.
- 2015 LGBT Health Workforce Conference. Hunter College, CUNY Center for LGBTQ Studies. “Recent federal policy developments re: SO/GI data collection in EHRs, clinical settings.” Plenary panel.
- 2015 New York University. “NYU professors talk LGBTQ health.” Panel discussion. NYU LGBTQ Student Center, College of Nursing, Global Public Health Action Network.
- 2015 Harvard School of Public Health. “Health resilience and risk in a sample of House and Ball community members.” Women, Gender, and Health Interdisciplinary Concentration. Trans-disciplinary Series on Justice and Health. With Sarah Trieweiler, Fenway Institute Research Intern.
- 2015 National Center for Innovation in HIV Care webinar. “How do organizational models impact outcomes in the continuum of care?” With Mike Gifford, AIDS Resource Center of Wisconsin, and Rebecca Haag, formerly CEO of AIDS United and AIDS Action Committee of Massachusetts.
- 2015 LGBT Elders in an Ever-Changing World Conference. “The Massachusetts LGBT Aging Commission: Supporting resiliency through policy change and service improvement.” Salem State University School of Social Work, Salem, Massachusetts. With Janson Wu, Gay and Lesbian Advocates and Defenders.
- 2015 LGBT Primary Care Alliance Strategic Meeting. National Association of Community Health Centers Policy and Issues Forum. “Collecting sexual orientation and gender identity data in the Electronic Health Record: Why and how.” With Harvey Makadon, M.D., Fenway Institute, Washington, DC.
- 2014 California LGBT Health and Human Services Network. “Designating LGBT people as a Medically Underserved Population and as a Health Professional Shortage Area population group.”
- 2014 Minority Health and Health Disparities Grantees’ Conference, National Harbor, Maryland. “Reducing health disparities with LGBTQ youth of color.” Conron K, Wilson J, Freeman H, Cahill S, Bradford, J. Grant support 1R24MD008073-02.
- 2014 American Public Health Association, New Orleans. “Legal protections in public accommodations settings: A critical public health issue for transgender adults in

- Massachusetts.” Reisner SL, White JM, Dunham E, Begenyi J, Heflin K, Cahill S. Oral presentation. Abstract 302972.
- 2014 Harvard School of Public Health. “Addressing LGBT health disparities through federal and state policy change.” Diversity Lecture Series.
- 2014 National Association of Community Health Centers; Financial, Operations Management, IT Conference. “Building capacity to care for LGBT people in your health center: Meeting population health needs by providing inclusive and affirmative care.” Makadon H, Cahill S. Las Vegas, NV.
