## **ACADEMIC EXPERIENCE**

### **Northeastern University Bouvé College, School of Nursing**

Senior Cooperative Education Coordinator	2018 - Present
Associate Cooperative Education Coordinator	2008-2018
Assistant Cooperative Education Coordinator	2004-2008

Educate students, collaborate with academic faculty, and coordinate with employer partners in all aspects of undergraduate cooperative education in the School of Nursing. Provide preparation relevant to nursing students' entry and ongoing adaptation to the professional setting. Educate students in the establishment of learning outcomes and engage in scheduled feedback to students, during the actual co-op experience, via responses to 4 guided reflections. Oversee the completion of performance assessments by the student and employer. Collaborate with employers in the planning and implementation of productive cooperative education partnerships. Participate in the governance, operations, and visibility of the school, college, and university by participation in committees, presence at open houses and orientations, and service to professional associations. Engage in scholarship to evaluate outcomes of cooperative education, instructional content, and methodologies.

## **INSTRUCTIONAL EXPERIENCE**

### **Northeastern University**

#### **NRSG 2000 Professional Development for Cooperative Education**

**Course Faculty** 2004 - Present

Two sections per academic year. This course educates students in achieving the goals of the nursing cooperative education program. The guiding concepts of mindfulness, motivation, and mindful learning are incorporated through activities that develop and promote strategies for success and engagement. New to academic year 2017 – 2018 was the introduction of an experiential module to promote civility in the workplace and whose content is in ongoing revisions.

#### **NRSG 1000 College: An Introduction**

**Course Faculty** 2004 - 2017

#### **NRSG 1000 First Year Bouvé Seminar**

**Course Faculty** 2017 - Present

Two sections per academic year. Enrolled students receive an introduction to the university, college, and school of nursing. In class activities are structured to be developmentally appropriate to all cohorts: traditional freshmen, returning *NUin*, and transfer students. Classroom activity is directed to acquiring an understanding of the academic and social impact of decisions within a
