

Pharm D Post-Doctoral Fellowship Program 2020-2022

Ipsen Biopharmaceuticals, Inc. is launching a 2-year post-PharmD fellowship in Medical Affairs in collaboration with Northeastern University, School of Pharmacy.

Headquarters:

Ipsen Biopharmaceuticals, Inc.
One Main Street
Unit 700
Cambridge, MA 02142
Web site: www.ipsenus.com

About Ipsen:

Ipsen is a global, biopharmaceutical group focused on innovation and specialty care. The group develops and commercializes innovative medicines in three key therapeutic areas – Oncology, Neuroscience and Rare Diseases. Our presence in North America dates back to 1976, and now includes Ipsen’s third global hub right in the heart of the leading global biotech ecosystem in Cambridge, Mass., where a fully integrated biopharmaceutical team across External Innovation and Partnering, R&D, Manufacturing and Commercial operations collaborates. With Ipsen’s expansion of its footprint in Cambridge, and new North America headquarters in Kendall Square, the group is building a sustainable innovation engine within the biotech community.

Description of Program:

This two-year Fellowship Program in collaboration with Northeastern University and Ipsen is designed to provide Doctor of Pharmacy graduates an opportunity to gain in-depth experience in the biopharmaceutical industry within Ipsen’s Medical Affairs Group. At Ipsen, we have a clear **mission: to improve patients’ lives**. We are a dynamic and growing **global biopharmaceutical leader focused on innovation and specialty care**, with a focus on 3 core areas: oncology, neuroscience, and rare diseases.

Areas of Focus for the PharmD Fellowship Program include:

- Core Experiences
 - Medical Information
 - Medical Strategy
 - Thought Leader Engagement
 - Scientific Communications and Publications
- Elective Experiences
 - Health Economics and Outcomes Research
 - Medical Science Liaison Training

What to Expect:

- 1-year rotations through therapeutic areas**
- 6-month rotations through the different areas of Medical Affairs**
- Participation in Northeastern University PharmD Fellowship seminars/events/teaching opportunities**

How to Apply:

Candidates who wish to apply must submit their:

- Curriculum vitae (CV) and cover letter
- Unofficial college transcript
- Three letters of recommendations
- Please send these items to: PharmDFellowships@northeastern.edu

- Applications are considered on a rolling basis but are preferred by December 1st in order to schedule a finite number of interview slots at Midyear

Candidates must be prepared to certify they had not been excluded from participation in U.S. Federal Healthcare programs. Program subject to availability and may be changed or discontinued.

Northeastern University Pharmaceutical Industry Fellowships

Northeastern University is a global, experiential, research university built on a tradition of engagement with the world, creating a distinctive approach to education and research. At Northeastern, we encourage our students to become engaged, confident, and resourceful global citizens who realize their knowledge and actions have a far-reaching impact. Students ignite their passion for learning and are exposed to the endless possibilities around them through transformative experiential education.

The Northeastern University Fellowship Program provides a dynamic academic environment offering fellows the opportunity for a wide breadth of experiences:

- Develop teaching skills through participation in our Teaching and Learning Seminar series
- Facilitate small and large group didactic education in partnership with a faculty mentor
- Utilize a layered learning model in experiential education by co-precepting students on pharmacy practice experiences including Northeastern's unique co-op program
- Create, present, and publish scholarly research through collaborative industry and university relationships
- Engage with faculty who participate in various interdisciplinary graduate programs including biotechnology, nanomedicine, immunology, health informatics, and drug discovery
- Network with local residents and other Northeastern fellows via professional development programs, teaching seminars, and participation on fellowship committees

CURRENT PARTNERS OF THE NORTHEASTERN UNIVERSITY FELLOWSHIP PROGRAM

Through these exciting partnerships, Northeastern fellows collaborate and learn from each other, further positioning them to be successful in both academic and industry settings. Fellows are empowered to shape their experience, as well as the future of the program, through leadership on the *Professional Development & Networking* and *Recruitment* committees.

Life in Boston

Northeastern University is in the heart of Boston, steps away from the famous Fenway Park and downtown Boston. Surrounded by top tier academic and research institutions, the area is home to pioneers of innovation who are committed to intellectual curiosity and scientific advancement. The greater Boston area is a cultural hub, offering world-class attractions and rich history.

Application Process

Launch your post-graduate career. Apply now!

Fellows will be selected on a nationally competitive basis. All candidates must have a Doctor of Pharmacy degree from an ACPE-accredited college of pharmacy by June 30, 2020. Candidates are encouraged to apply through the Northeastern website by the priority application deadline of **December 1, 2019**. Please see the graphic below for more information on the application process.
