PROFESSIONAL EXPERIENCE

Root Cause	Boston, MA
Senior Consultant	2018 - present
Work with foundations, nonprofit organizations, businesses, schools, and government agencies on building and managing strategic collaborations so that more individuals and families have access to and participate in quality programs and services utilizing Root Cause's unique, customized approach to consulting.	
Massachusetts Department of Public Health	Boston, MA
Director, Bureau of Substance Addiction Services	2016 – 2018
Oversee the substance use disorder and treatment services in the Commonwealth of Massachusetts, and lead implementation of prevention, intervention, treatment, and recovery strategies across the substance use disorder spectrum, specifically focused on combatting the ongoing opioid epidemic.	
<ul style="list-style-type: none">▪ Oversaw staff of 100 responsible for design and funding of substance use disorder services and prevention initiatives offered throughout the Commonwealth, as well as licensing of programs and addiction counselors.▪ Managed a budget of over \$200 million.▪ Represented the administration to Federal agencies and at forums and national conferences	
The Boston Foundation	Boston, MA
Senior Director, Health & Wellness	2015 – 2016
During ten years of service for 100-year old community institution with more than \$1B in assets, provided strategic leadership to develop, manage, and oversee health and wellness strategy including \$1.2M in grantmaking, research, and policy efforts.	

- Led and raised over \$1M local and national investments for innovative interdisciplinary endeavors such as “Health Starts at Home” Initiative and the Massachusetts Convergence Partnership as well as internal efforts to inform and leverage interests of Foundation’s donors.
- Represented the Foundation at conferences, forums and in media (radio, television and print).

Director, Health & Wellness

2011 – 2015

Managed the transition to a new framework for investments and partnerships shifting from health care access and coverage to primary prevention, including development of a new strategy to encourage healthy behaviors by increasing access to healthy food and opportunities for physical activity.

- Evaluated grant proposals from non-profit organizations and managed over \$7M of investments cumulatively, for the strategy.
- Worked across departments within Foundation to advance the health and wellness strategy, specifically in the area of public policy and research, as well as with numerous state, city and community partners and coalitions.
- Co-authored five statewide report cards on public health policies. Served in appointed positions on Boston Public Schools District Wellness Council and City Food Policy Council, and School Food Advisory Committee.

Senior Program Officer, Health & Human Services

2007 – 2011

Developed and managed grantmaking portfolio of over \$5M over five years, as well as public policy initiatives.

- Evaluated grant proposals from non-profit organizations in the health and human services sector, including medical care, mental health, public health, substance abuse, elder issues, domestic violence, child welfare, homelessness, and services for people with disabilities.
- Supervised staff and external consultants and prepared written reports and other correspondence related to initiatives and grantmaking.
- Selected as one of 16 nationwide “Terrance Keenan Institute Emerging Leader in Health Philanthropy” Fellows by Grantmakers in Health.

**Massachusetts House of Representatives,
Joint Committee on Mental Health & Substance Abuse**Boston, MA
2005 – 2007**Staff Director/Chief Counsel**

Served as policy and legal advisor to House Chair of joint legislative committee. Represented Chair in meetings with legislators, members of the administration, and constituents. Served as policy resource for legislators, legislative staff, and the public.

- Supervised research analysts. Organized and managed the committee’s workflow including communications with committee members, hearings, bill analyses, and policy development.
- Maintained up-to-date knowledge of behavioral health care policy.

National Association of Social Workers, Massachusetts Chapter

Boston, MA

Director of Professional Issues

2003 – 2005

Coordinated the Chapter's mental health activities, and served as liaison to the Commissioner of the Department of Mental Health. Staff support for the Mental Health Committee, HIV/AIDS Committee, and advisor to the Ethics Committee.

- Liaison to the Social Work Licensing Board and resource on social work licensing issues for 8,300 members.
- Supervised the Continuing Education Collaborative, labor and workforce issues, and supervised graduate student interns.

Gay, Lesbian, and Straight Education Network (GLSEN) <i>Legislative & Policy Analyst/State Policy Manager</i>	Washington, DC 2001 – 2002
