

CURRICULUM VITA

Trenton Honda PhD, MMS, PA-C

Associate Dean, School of Clinical and Rehabilitation Sciences
Clinical Professor, Department of Medical Sciences
Editor-in-Chief, Journal of Physician Assistant Education

Office Address:

Northeastern University
School of Clinical and Rehabilitation Sciences
t.honda@northeastern.edu
Robinson Hall
360 Huntington Avenue
Boston, MA 02115

EDUCATION

PhD **Population Health** (Major: Environmental Epidemiology, Minor: Biostatistics)
Northeastern University
Boston, MA

MMS **Medical Science**
St. Francis University
Loretto, PA

PA **Physician Assistant Studies** (*Valedictorian*)
Moreno Valley College
Moreno Valley, CA

BA **Religious Studies** (*Magna Cum Laude, Phi Beta Kappa*)
California State University
Long Beach, CA

ACADEMIC APPOINTMENTS

2021-present **Associate Dean & Clinical Professor**
School of Clinical and Rehabilitation Sciences (SoCRS)
Bouvé College of Health Science
Northeastern University, Boston, MA.

2020-2021 **Clinical Professor & Director of Research**
Department of Medical Sciences
Bouvé College of Health Science
Northeastern University, Boston, MA.

2020-present **Adjunct Associate Professor**

Division of Public Health; Department of Family and Preventive
Medicine
University of Utah School of Medicine, Salt Lake City, UT.

- 2018-2020 **Associate Professor & Division Chief**
Department of Family and Preventive Medicine
University of Utah School of Medicine, Salt Lake City, UT.
- 2015-2018 **Assistant Clinical Professor & Program Director**
Bouvé College of Health Science
Northeastern University, Boston, MA.
- 2014- 2015 **Assistant Clinical Professor & Associate Program Director**
Bouvé College of Health Science
Northeastern University, Boston, MA.
- 2013- 2014 **Assistant Clinical Professor & Director of Didactic Education**
Bouvé College of Health Science
Northeastern University, Boston, MA.

CLINICAL TEACHING APPOINTMENTS

- 2011-2013: **Assistant Clinical Professor and Clinical Preceptor (WOS)**
Family Medicine and Occupational Medicine Nurse Practitioner Program
University of California, Los Angeles, Los Angeles, CA.
- 2008-2011 **Clinical Preceptor (WOS)**
Family Medicine and Occupational Medicine Nurse Practitioner Program
University of California, Los Angeles, Los Angeles, CA.

LEADERSHIP/ADMINISTRATION AND PROGRAM DEVELOPMENT

Educational Leadership/Administration

-  **Associate Dean** School of Clinical and Rehabilitation Sciences (SoCRS).
Northeastern University. 2021-Present.
- o Leadership and administration of a School comprised of >70 FT faculty and >20 FT staff and >500 part-time faculty at an R1 research institution consisting of the following departments and units:
 - Department of Communication Sciences and Disorders
 - Master of Science in Speech Language Pathology program
 - Bachelor of Science in Speech Language Pathology program
 - Early Intervention Program
 - Speech Language and Hearing Center
 - Department of Physical Therapy, Movement, and Rehabilitation Sciences
 - Post-bac Doctor of Physical Therapy program
 - Entry-level Doctor of Physical Therapy program

- Transitional Doctor of Physical Therapy program
- MS in Human Movement and Rehabilitation Science
- PhD in Human Movement and Rehabilitation Science
- Sports Physical Therapy Clinical Residency Program
- Certificate of Advanced Study in Orthopedic Physical Therapy
- Minor in Human Movement and Rehabilitation Sciences
- Department of Medical Sciences
 - Doctor of Medical Science Program
 - Extreme Medicine Graduate Certificate
 - Master of Science in Physician Assistant Studies Program
 - MSPAS/Master of Public Health Dual Degree Program
 - MSPAS/Master of Science in Health Informatics Dual Degree Program
- o Administrative and Leadership Duties:
 - Leading the creation of School bylaws.
 - Leading the School strategic planning process.
 - Providing mentorship and leadership to a team of assistant deans, department chairs, and staff leaders.
 - Administering a multi-million-dollar annual budget.
 - Leading strategic program growth, development, and innovation around the education of future transdisciplinary healthcare leaders and researchers.
 - Advancement of giving and development.

56

Division Chief Division of Physician Assistant Studies. University of Utah Department of Family and Preventive Medicine. 2018-2020.

- o Divisional Offices/Programs/Initiatives: Leadership and administration of an academic medicine division at an R1 research institution comprised of:
 - University of Utah Physician Assistant Program (UPAP): An internationally renowned PA program ranked #2 among public institutions and #4 among all institutions, with two educational sites (Salt Lake City, UT; St. George, UT).
 - South Main Clinic: A clinical primary care enterprise devoted to the provision of high-quality healthcare to an underserved population.
 - Global Partners: A mission-driven global health education initiative funded by corporate donations, devoted to interdisciplinary education and clinical skills development in developing countries.
 - International Clinical Education: A program consisting of three international partnerships to provide international clinical education to PA and MD students in the practical and theoretical provision of medical care in: 1) Thailand, 2) Nepal, 3) Guatemala.
 - Research Program: A program comprised of 3 faculty, 2 post-doctoral scholars, and 1 research analyst. The program faculty and staff apply for and administer grants and conduct original research in environmental health, health services and workforce, and graduate medical education.

- o Administrative and Leadership Duties:
 - Overseeing and leading the strategic planning process.
 - Providing mentorship and leadership to a team of five program directors, 20 full-time faculty, 10 full-time staff, and more than 100 part-time and adjunct faculty.
 - Balancing and administering a multi-million-dollar annual budget.
 - Leading strategic program growth, development, and innovation around the education of future clinical and transdisciplinary healthcare leaders and researchers.
 - Advancing giving and development.
 - Development and launch of distant campus in St. George, Utah.

☞ **Program Director.** Physician Assistant Program. Northeastern University Bouvé College of Health Sciences, 2015-2018. Direct graduate medical program overseeing 80 students completing a rigorous, 103 credit MS degree.

- o Administrative and Leadership Duties:
 - Overseeing and leading the strategic planning process.
 - Providing mentorship and leadership to 7 full and >50 part-time faculty & 3 full-time staff.
 - Administration of a multi-million-dollar annual budget.
 - Maintenance of program accreditation.
 - Oversight of admissions, curriculum, and strategic program growth.

Educational Program Development

1. **MSPA/MPH Dual Degree Program. Northeastern University Bouvé College of Health Sciences.** An innovative dual degree program whereby students can earn an MS in Physician Assistant Studies and a Master of Public Health degree in 33 months. First students enrolled in January 2017.
2. **MSPA/MSHI Dual Degree Program. Northeastern University Bouvé College of Health Sciences.** An innovative dual degree program whereby students can earn an MS in Physician Assistant Studies and a Master of Health Informatics degree in 33 months. First students enrolled in January 2018.
3. **Leadership and Management Certificate Program. Northeastern University Bouvé College of Health Sciences and American Association of Physician Assistants (AAPA).** A collaborative certificate program whereby graduate PAs and NPs can earn a certificate program in clinical leadership and management. First students enrolled in August 2018.
4. **Doctor of Medical Science (DMSc) Program in Healthcare Leadership.** Fully online professional doctoral degree designed to address the growing need for professionals from all healthcare disciplines to gain novel and transdisciplinary skill sets that prepare them as emerging leaders in the healthcare environment of the future. The degree consists of core coursework in healthcare leadership and research methods and allows students to specialize in one of the following tracks: Health Informatics, Health Informatics Research,

Health Law, Business Management, Public Health, Pharmacy and Health Systems Science, and Interdisciplinary Healthcare. First students enrolled August 2022.

5. **Extreme Medicine Certificate.** Hybrid experiential program in Extreme Medicine to prepare health care professionals to provide medical services in extreme conditions. This is the first program in the United States to offer a credit-bearing graduate certificate in Extreme Medicine, and one of the few international institutions to provide graduate level credentials in this emerging and important field in partnership with [World Extreme Medicine](#), an internationally recognized expert in the field of medical care in austere environments. First students enrolled August 2023.
6. **MS Speech Language Pathology: Satellite Program.** Development of a satellite campus for our Boston-based residential MS in Speech Language Pathology program in Charlotte, North Carolina. Activities involved market analysis, physical facilities build-out, budgetary projections, board of governors and accreditation planning, and launch. First class enrolled Fall 2024.

SCHOLARSHIP AND RESEARCH

My research falls into two general thematic areas: epidemiology, and biomedical education. Within epidemiology, my work focuses on identifying and quantifying the health effects of air pollution, infectious diseases, and the built environment. My research is enhanced by my clinical expertise and by my role as a leader in graduate medical education. Within biomedical education, I regularly publish and present on student and program evaluation, application of quantitative methods in biomedical education research, and disparities in physician assistant education.

Dissertation:

Long-Term air pollution exposure and cardiovascular risk factors in older Americans (2016).

- Advisor: Helen Suh ScD, Professor, Tufts University
- Committee Member: Justin Manjourides PhD, Associate Professor, Northeastern University
- Committee Member: Gregory Wellenius ScD, Professor, Brown University

Funded Grants:

1. "Impact of an Implicit Association Test on Under-represented Minority Admissions in Physician Assistant Programs." (Honda Co-I, Ryujin PI) Physician Assistant Education Association. Period of performance: 4/2019-4/2021. Total costs over study period: \$7,000.
2. "Primary Care Training and Enhancement: Physician Assistant Program" (Honda Co-I, Valentin PI). Health Resources and Services Administration. Period of performance: 07/01/2019 – 06/30/2024. Total costs over study period: \$1,250,000.
3. "Integrating Geriatrics and Primary Care Through Workforce Education and Training to Improve Outcomes for Older Adults Utilizing Long-Term Services and Supports in Utah" (Honda Co-I, Edelman PI). Health Resources and Services Administration. Period of performance: 07/01/2019 – 06/30/2024. Total costs over study period: \$3,750,000.
4. "Associations Between Air Pollution and Diabetes Disease Trajectory, Severity, and Complications in Utah" (Honda Co-I, Porucznik PI). Health Studies Fund. Period of performance: 03/15/2021 – 10/30/2023. Total costs over study period: \$10,000.
5. "The Design, Development, and Testing of a Prototype Full-Face Respirator for use in the Respirator Emergency Response Alert System (RERAS) for Remote Safety Monitoring" (Honda PI). Health Studies Fund. Period of performance: 04/15/2020 – 08/15/2020. Total costs over study period: \$7,458.
6. "Nebulizer-Retrofitted Drone Deployment at Residential Construction Sites." (Honda Co-I, Handy PI). The Center for Construction Research and Training. Period of performance: 6/2020-5/2021. Total costs over study period: \$29,996.
7. "Airborne metals, neurodegeneration and cognitive decline: Examining the olfactory system in The Adult Changes in Thought study." (Honda Subcontract-PI, Suh & Sonnen MPI). National Institutes of Health: NIA. Period of performance: 11/01/2023-10/31/2028. Total costs over study period: \$3,865,838.

TEACHING AND EDUCATION

Classroom Teaching

1. Lead Instructor: *Anatomy and Physiology I w/ Cadaver Lab*, Northeastern University

PA6200 is the first course in a two-semester graduate survey series covering: Cellular biology, membrane physiology, hematologic, immunologic, cardiopulmonary, and neurological physiology. Cadaver laboratory lectures and guided dissection sessions cover the anterior chest wall and thorax, with focus on the pulmonary and cardiovascular systems.

Course Reviews:

Fall 2014 (40 students, Course evaluations 4.95 out of 5.0)

Fall 2015 (40 students, Course evaluations 4.99 out of 5.0)
Fall 2016 (40 students, Course evaluations 4.95 out of 5.0)
Fall 2017 (43 students, Course evaluations 4.87 out of 5.0)
Fall 2020 (51 students, Course evaluations 4.90 out of 5.0) This course was taught via hybrid synchronous distance learning and in-person sessions due to the COVID-19 pandemic.
Fall 2021 (51 students, Course evaluations 4.90 out of 5.0)
Fall 2022 (51 students, Course evaluations 4.94 out of 5.0)

2. Instructor: *Physical Diagnosis and Patient Evaluation I: Small Group, Northeastern University*

The course presents the techniques for eliciting an accurate history, performing an appropriate physical examination, making case presentations, and documenting patient information. Issues such as effective communication, confidentiality, cultural competence, and dealing with patients who are terminally ill or disabled are included. Emphasis is placed on skill development. Small group sessions focus on development of clinical decision making and clinical reasoning skills.

Course Reviews:

Fall 2020 (6 students, Course evaluations 4.97 out of 5.0). This course was taught via synchronous distance learning due to the COVID-19 pandemic.
Spring 2022 (6 students, Course evaluations 4.70 out of 5.0).

3. Lead Instructor: *Anatomy and Physiology II w/ Cadaver Lab, Northeastern University*

PA6201 is the second course in a two-semester graduate survey series covering: Gastrointestinal, genitourinary, endocrine, and renal physiology. Cadaver laboratory lectures and guided dissection sessions cover the abdomen and pelvis.

Course Reviews:

Spring 2014 (39 students, Course evaluations 4.90 out of 5.0)
Spring 2015 (40 students, Course evaluations 4.90 out of 5.0)
Spring 2016 (40 students, Course evaluations 4.94 out of 5.0)
Spring 2017 (40 students, Course evaluations 4.96 out of 5.0)
Spring 2018 (44 students, Course evaluations 4.96 out of 5.0)
Spring 2021 (51 students, Course evaluations 4.97 out of 5.0) This course was taught via hybrid synchronous distance learning and in-person sessions due to the COVID-19 pandemic.
Spring 2022 (51 students, Course evaluations 4.92 out of 5.0)
Spring 2023 (51 students, Course evaluations 4.90 out of 5.0)

4. Instructor: *Physical Diagnosis and Patient Evaluation II: Small Group, Northeastern University*

The course presents the techniques for eliciting an accurate history, performing an appropriate physical examination, making case presentations, and

documenting patient information. Issues such as effective communication, confidentiality, cultural competence, and dealing with patients who are terminally ill or disabled are included. Emphasis is placed on skill development. Small group sessions focus on development of clinical decision making and clinical reasoning skills.

Course Reviews:

Spring 2021 (6 students, Course evaluations 5.0 out of 5.0). This course was taught via synchronous distance learning due to the COVID-19 pandemic.

5. Lead Instructor: Physiology II, University of Utah School of Medicine

PAS6131 is the second course in a two-semester graduate survey series covering: Gastrointestinal, Renal, Urologic, and Hematologic physiology. Normal physiology is contrasted with pathophysiology, and students are required to demonstrate understanding of fundamental concepts of anatomy, biochemistry, and physics as they relate to normal and abnormal physiologic states.

Course Reviews:

Spring 2020 (64 students, Course evaluations 5.73 out of 6.0)

6. Lead Instructor: Physiology I, University of Utah School of Medicine

PAS6030 is the first course in a two-semester graduate survey series covering: Cardiopulmonary, pulmonary, and endocrine physiology. Normal physiology is contrasted with pathophysiology, and students are required to demonstrate understanding of fundamental concepts of anatomy, biochemistry, and physics as they relate to normal and abnormal physiologic states.

Course Reviews:

Fall 2019 (64 students, Course evaluations 5.69 out of 6.0)

Summer 2020 (68 students, Course evaluations 5.44 out of 6.0) This course was taught via synchronous distance learning due to the COVID-19 pandemic.

7. Lead Instructor: Musculoskeletal Medicine, University of Utah School of Medicine

PAS6304 covers common presentation, assessment, diagnosis, and treatment of common pathology of the musculoskeletal system, including: orthopedic fractures, dislocations, infections, tumors, soft tissue injury, and central and peripheral nervous and vascular injury. The course includes a survey of rheumatologic conditions, including common presentation, assessment, diagnosis, and treatment. Students are also trained extensively in radiographic interpretation. Additionally, the course reviews the pertinent anatomy and physiology of these organs.

Course Reviews:

Summer, 2019 (60 students, Course evaluations 5.70 out of 6.0)

8. Instructor: Otolaryngology, University of Utah School of Medicine

PAS6106 covers common presentation, assessment, diagnosis, and treatment of common pathology of the eyes, ears, nose, and throat. Additionally, the course reviews the pertinent anatomy and physiology of these organs.

Course Reviews:

Fall, 2018 (60 students, Course evaluations 5.27 out of 6.0)

9. Lead Instructor: Research Design, Northeastern University

PA6330 Covers research methods and designs used in clinical trials and epidemiologic studies. Emphasizes strengths and weaknesses of various research methodologies; additionally covers the ability to define research problems, write hypotheses, review and interpret literature, organize, analyze, and present data, and draw appropriate conclusions.

Course Reviews:

Summer, 2016 (40 students, Course evaluations 4.50 out of 5.0)

Summer, 2017 (39 students, Course evaluations 4.49 out of 5.0)

10. Lead Instructor: Principles of Orthopedics, Northeastern University

PA6322 covers musculoskeletal and peripheral nervous and vascular anatomy and physiology. Additionally, the course covers common orthopedic and rheumatologic pathophysiology, including: physical examination evaluation techniques, radiographic and sonographic diagnostic testing, and general treatment approaches. Cadaver laboratory lectures and guided dissection sessions cover peripheral musculoskeletal, neurological and vascular anatomy.

Course Reviews:

Summer 2015 (40 students, Course evaluations 4.87 out of 5.0)

11. Instructor: Principles of Surgery, Northeastern University

PA6321 covers major and minor surgical conditions, emphasizing indications for surgical intervention and pre-, intra- and post- operative management in both ambulatory and inpatient settings.

Course Reviews:

Spring 2014 (39 students, Course evaluations 4.89 out of 5.0)

12. Instructor: Principles of Medicine I: Clinical Genetics (online course), Northeastern University

The Clinical Genetics unit of PA6311 covers normal and abnormal cellular genetics, with emphasis on the cellular mechanisms and clinical presentations of common monogenic and polygenic disorders.

Course Reviews:

Fall 2014 (40 students, Course evaluations 4.42 out of 5.0)

Summer 2016 (40 students, Course evaluations 4.40 out of 5.0)

13. Instructor: Family Medicine, University of California, Los Angeles, Los Angeles, CA.

Spring 2013, Winter 2013, Fall 2012, Spring 2012, Winter 2012, Fall 2011, Spring 2011, Winter 2011.

14. Instructor: Occupational Medicine, University of California, Los Angeles, Los Angeles, CA.

Spring 2013, Winter 2013, Fall 2012, Spring 2012, Winter 2012, Fall 2011, Spring 2011, Winter 2011.

Advising and Mentoring Activities

POST-DOCTORAL SCHOLAR MENTORED RESEARCH TRAINING:

- **Shahpar Najmabadi**, PhD, MPH. May 2019- August 2020.
- **Fatemeh Kazemiparkhoui**, PhD, MS. January 2020-August 2020.

DOCTOR OF PHILOSOPHY (PHD) STUDENTS/MENTEES/COMMITTEES:

- **Mona Elbarbary**, PhD student, Public Health. Department of Public Health. University of Sydney. *Dissertation Title: "From Inhalation to Inflammation: The association between ambient air pollution and biomarkers of chronic disease in an elderly Chinese population."*
- **Cassidy Griffin**, PhD student, Population Health. Role: Dissertation Advisor & Committee Chair. Department of Health Sciences, Northeastern University. Role: Dissertation Committee Chair. *Dissertation Title: "TBD/In progress"*.
- **James McGinnis**, PhD student, Graduate School of Education and Human Development, George Washington University. Role: Dissertation Committee Member. *Dissertation Title: "Resilience, Dysfunctional Behavior, and Sensemaking: The Experiences of Emergency Medicine Physician Assistants Encountering Workplace Incivility."*

MASTER OF SCIENCE CAPSTONE ADVISOR:

- **Trenton D. Henry**, MSPH. Division of Public Health, University of Utah Department of Family and Preventive Medicine. Capstone Title: "Differential impacts of particulate air pollution exposure in early and late stages of spermatogenesis".
- **Meghan Ahern**. M.S. Physician Assistant Program, Northeastern University. *Capstone Title: "Impact of Palliative and Hospice Care Services on Survival: A Systematic Review."*
- **Brett Aponas**. M.S. Physician Assistant Program, Northeastern University. *Capstone Title: "Prophylactic Negative Pressure Wound Therapy in the Post-Cesarean Section Obese Female: A Review."*
- **Deanna Kerkhoff**. M.S. Physician Assistant Program, Northeastern University. *Capstone Title: "Plant-based diet quality, incident chronic disease, and mortality: A systematic review."*
- **William McNeil**. M.S. Physician Assistant Program, Northeastern University. *Capstone Title: "Effects of Exercise on Cognitive Function in Elderly Patients with Dementia."*
- **Morgan Pace**. M.S. Physician Assistant Program, Northeastern University. *Capstone Title: "Use of Point-of-Care Ultrasound in Reducing Emergency Department Length-of-Stay in Females with Abdominal Pain: A Narrative Review."*

- **Sheri Johnson, Chance Basinger, Jillian Barker, Kadie Egbert-Brown.** Physician Assistant Program, University of Utah. Capstone Title: “*Head Start Environmental Exposure Education.*”
- **Piper Haskell,** M.S. Physician Assistant Program, Northeastern University. Capstone Title: “The Epidemiology, Etiology, and Current Practice Recommendations for Alpha-gal Syndrome.”
- **Emily Hurst,** M.S. Physician Assistant Program, Northeastern University. Capstone Title: “The Synovial Environment of Post-Treatment Lyme Disease Syndrome.”
- **Pamela Jeppson,** M.S. Physician Assistant Program, Northeastern University. Capstone Title: “Probiotics for the Treatment and Prevention of Bacterial Vaginosis A Review of Current Literature.”
- **Micki Kitchell,** M.S. Physician Assistant Program, Northeastern University. Capstone Title: “Head Health – Addressing Adolescent Athletes’ Perception of Concussions and Self-Reporting Behaviors.”
- **Jamie Kolb,** M.S. Physician Assistant Program, Northeastern University. Capstone Title: “Vitamin D and the Risk of Colorectal Adenocarcinoma: A Review of Current Literature.”
- **Yvonne Lam,** M.S. Physician Assistant Program, Northeastern University. Capstone Title: “Brain Games and Their Claims of Gains: A look into cognitive training activities and their effects on preventing age related cognitive impairments.”
- **Christie Lee,** M.S. Physician Assistant Program, Northeastern University. Capstone Title: “Concussions at Various Ages: A Retrospective Analysis of the Effect of Trauma on the Developing Brain.”
- **June Song,** M.S. Physician Assistant Program, Northeastern University. Capstone Title: “The Absence of Effective Hair Regrowth Treatments Following Chemotherapy: A Systematic Review.”
- **Hillary Steele,** M.S. Physician Assistant Program, Northeastern University. Capstone Title: “Could a Gluten Free Casein Free Diet be the Answer Caregivers of Children with Autism Spectrum Disorder are Looking For?”
- **Hannah Strauss,** M.S. Physician Assistant Program, Northeastern University. Capstone Title: “A Systematic Review of Non-Celiac Gluten Sensitivity: Should We Exclude This Diagnosis of Exclusion?”
- **Anji Yang,** M.S. Physician Assistant Program, Northeastern University. Capstone Title: “Effect of Caffeine on Cognitive Decline A Review of Current Literature.”
- **Erika Pereya,** M.S. Physician Assistant Program, Northeastern University. Capstone Title: “Efficacy of Orlistat for the treatment of pediatric obesity in black and Hispanic children”
- **Sarah Kolchinsky,** M.S. Physician Assistant Program, Northeastern University. Capstone Title: “Comparison of long-term cognitive effects of prenatal buprenorphine and methadone treatment on infants 6, 12, and 18 months post-partum”
- **Mariah S. Henderson,** M.S. Physician Assistant Program, Northeastern University. Capstone Title: “Perioperative estrogen use and venous thromboembolic events in transgender women undergoing sex reassignment surgery”
- **Abdullah Majidi,** M.S. Physician Assistant Program, Northeastern University. Capstone Title: “The influence of absolute fasting on cardiovascular mortality in an overweight population”

- **Melanie DeBosier**, M.S. Physician Assistant Program, Northeastern University. Capstone Title: "Use of juicing supplementation for maintenance of cardiovascular health in patients on dialysis"
- **Abby Saucier**, M.S. Physician Assistant Program, Northeastern University. Capstone Title: "Testing the efficacy of probiotics against azithromycin in the treatment of traveler's diarrhea in children"
- **Bob Grueter**, M.S. Physician Assistant Program, Northeastern University, 2015. Capstone Title: "The use of psilocybin as treatment for depression in terminal cancer patients"
- **Stephanie Spaniolo**, M.S. Physician Assistant Program, Northeastern University, 2015. Capstone Title: "The effects of selective Cb2 cannabinoid on pre-existing atherosclerotic cardiovascular disease in the adult male"
- **Hellen Dawit**, M.S. Physician Assistant Program, Northeastern University, 2015. Capstone Title: "Congenital heart disease and associated development of carotid atherosclerosis in adulthood"

CLINICAL PRACTICE

- 2018-2020 Volunteer PA and Clinical Preceptor (Part Time)
University of Utah Division of PA Studies
Hildale Health Fair, Project Homeless, Urban Indian Center.
- 2010-2013 Clinical Supervisor and PA (Full Time)
Family Medicine & Occupational Medicine
Bayside Medical Center, El Segundo, CA.
- 2010-2011 Emergency Medicine PA (Part Time)
Riverside County Regional Medical Center, Moreno Valley, CA.
- 2008-2010 Family Medicine & Occupational Medicine PA (Full Time)
Bayside Medical Center, El Segundo, CA.

PROFESSIONAL HONORS/AWARDS

- 2022 **Recipient: *Article of the Year Award***
Physician Assistant Education Association, Washington D.C.
- 2021 Nominee: *Bouvé College of Health Sciences Distinguished Educator Award*
Northeastern University, Boston, MA.
- 2020 Nominee: *Bouvé College of Health Sciences Distinguished Educator Award*
Northeastern University, Boston, MA.
- 2015 Nominee: *Bouvé College of Health Sciences Distinguished Educator Award*
Northeastern University, Boston, MA.
- 2015 **Recipient: *Northeastern University PA Program Certificate for Excellence in Teaching***
Northeastern University, Boston, MA.
- 2014 **Recipient: *Bouvé College of Health Sciences Distinguished Educator Award***
Northeastern University, Boston, MA.

ACADEMIC HONORS/AWARDS

- 2005 ***Golden Key International Honors Society***

- California State University, Long Beach
 2006 ***Phi Beta Kappa Honors Society, Rho Chapter***
 California State University, Long Beach
 2006 ***Phi Kappa Phi Honors Society***
 California State University, Long Beach
 2007 ***Student of Distinction Award***
 Moreno Valley College/Riverside County Regional Medical Center PA Program
 2008 ***Valedictorian***
 Moreno Valley College/Riverside County Regional Medical Center PA Program

SERVICE

Department/Program

- Search Committee Member, Associate Program Director and Clinical Professor, Northeastern University Doctor of Medical Science Program, 2023.
- Member, PA Program Admissions Committee, Northeastern University, 2020-present.
- Member, Promotion and Tenure Committee, Department of Applied Psychology (DAP) Northeastern University, 2021.
- Member, Department Central Leadership Team, University of Utah Department of Family and Preventive Medicine. 2019-2020.
- Search Committee Chair, Vice Chair of Clinical Affairs, University of Utah Department of Family and Preventive Medicine, 2018-2019.
- Search Committee Co-Chair, Division Chief, Division of Public Health, University of Utah Department of Family and Preventive Medicine, 2018-2019.
- Member, Department Executive Committee, University of Utah Department of Family and Preventive Medicine. 2018-2020.
- Member, Research and Innovation Strategic Committee, University of Utah Department of Family and Preventive Medicine. 2018-2020.
- Member, Health Studies Fund Review Committee, University of Utah Department of Family and Preventive Medicine. 2018-2020.
- Chair, PA Program Admissions Committee, Northeastern University, 2015-2018.
- Member, PA Program Admissions Committee, Northeastern University, 2013-2014.
- Chair, PA Program Academic Standing Committee, Northeastern University, 2015-2018.
- Chair, PA Program Accreditation & Continuous Self Evaluation Committee, Northeastern University, 2015-2018.
- Member, PA Program Accreditation Committee, Northeastern University, 2013-2015.

Division

- Chair, Division Leadership Committee, University of Utah Department of Family and Preventive Medicine. 2018-2020.
- Chair, Division of Physician Assistant Studies Strategic Planning Committee, University of Utah Department of Family and Preventive Medicine. 2018.

College/University

- Search Committee Member, Dean, School of Nursing, Northeastern University, 2023.
- Search Committee Member, Bouvé-Roux Jointly Appointed Clinical Faculty Search, Northeastern University, 2021-2022.
- Search Committee Member, Bouvé-Roux Jointly Appointed Tenure Track Faculty Searches (2 lines), Northeastern University, 2021-2022.
- Member, Experiential Learning Strategic Planning Work Group. Northeastern University, 2020-present.
- Member, Bylaws Committee. Northeastern University Bouvé College of Health Sciences, 2020-present.
- Member, Statistical Methods Core Workgroup. Northeastern University Bouvé College of Health Sciences, 2020-present.
- Member, Health Science Education Executive Committee. University of Utah, 2019-2020.
- Member, Advisory Board, Master of Science in Cardiovascular Perfusion. University of Utah School of Medicine, 2018-2020.
- Member, Graduate Program Directors Committee, Northeastern University Bouvé College of Health Sciences, 2015-2018.
- Co-Chair, Interprofessional Education and Research Committee. Northeastern University Bouvé College of Health Sciences, 2016-2018.
- Member, Interprofessional Education and Research Committee. Northeastern University Bouvé College of Health Sciences, 2015-2018.
- Co-author, Graduate Policies and Regulations 2015-2016. Northeastern University Bouvé College of Health Sciences. 2014.
- Member, Graduate Academic Affairs Committee. Northeastern University Bouvé College of Health Sciences, 2013-2014.
- Member, College Operations and Management Task force (COMET). Northeastern University Bouvé College of Health Sciences, 2017-2018.
- Member, One Faculty Task force. Northeastern University Bouvé College of Health Sciences, 2018.

Discipline and Profession: National

- COVID-19 Taskforce, Accreditation Review Commission on Education of the Physician Assistant (ARC-PA). 2020.
- Commission Self-Study Workgroup, Accreditation Review Commission on Education of the Physician Assistant (ARC-PA). 2019-2020.
- Post-Graduate Program Accreditation Workgroup, Accreditation Review Commission on Education of the Physician Assistant (ARC-PA). 2019-2020.
- Accreditation Commissioner, Accreditation Review Commission on Education of the Physician Assistant (ARC-PA). 2019-2020.
- Accreditation Site Visitor, Accreditation Review Commission on Education of the Physician Assistant (ARC-PA). 2016-2020.
- Committee Chair: Grants and Scholarships Review Committee: Physician Assistant Education Association (PAEA). 2018-2022.
- Member, Physician Assistant Education Association PACKRAT Standardized Medical Examination committee. 2015-2019.
- Committee Member: Grants and Scholarships Review Committee: Physician Assistant Education Association. 2016-2018.

- Americorps Local Emergency Readiness Team. 2006-2008.

Discipline and Profession: International

- Research Committee Chair: International Association on Physician Assistant Education (IAPAE). 2019-present.

Community Outreach

- Project Homeless Connect, November, 2019. Overseeing students providing free medical evaluations and physicals to members of a community experiencing homelessness in Salt Lake City, UT.
- Hildale Health Fair, July, 2019. Overseeing students providing free pre-participation and school physicals to members of an underserved community in Southern Utah.
- Urban Indian Center, August, 2018. Overseeing students providing diabetes and health screening to members of the Utah Native American Community.
- Hildale Health Fair, July, 2018. Overseeing students providing free pre-participation and school physicals to members of an underserved community in Southern Utah.

Editorial Activity

- Editor in Chief: *Journal of Physician Assistant Education*, Physician Assistant Education Association (PAEA). 2022-present.
- Academic Editor and Editorial Board Member: Public Library of Science One (*PLoS ONE*). 2022-present.
- Editorial Board Member: *Journal of Physician Assistant Education*, Physician Assistant Education Association (PAEA). 2018-2022.
- Editorial Board Member: BMC Medical Education. 2024-present.
