

**Danielle M. Crookes, DrPH**  
Curriculum Vitae

**Assistant Professor**

Department of Public Health and Health Sciences, Bouvé College of Health Sciences  
Department of Sociology and Anthropology, College of Social Sciences and Humanities  
Email: [d.crookes@northeastern.edu](mailto:d.crookes@northeastern.edu)

**APPOINTMENTS**

- 2021- Assistant Professor (tenure-track), Department of Public Health and Health Sciences, Bouvé College of Health Sciences and Department of Sociology and Anthropology, College of Social Sciences and Humanities, Northeastern University, Boston, MA
- 2021- Faculty Scholar, Institute for Health Equity and Social Justice Research, Northeastern University, Boston, MA
- 2023- Affiliate Assistant Professor, Africana Studies Program, College of Social Sciences and Humanities, Northeastern University, Boston, MA

**EDUCATION**

- 2019 DrPH in Epidemiology  
Columbia University, Mailman School of Public Health, Department of Epidemiology, New York, NY  
Dissertation: The effect of anti-immigrant climate on cardiovascular disease risk profiles of immigrant and US-born Latinos  
Sponsor: Shakira F. Suglia; Chair: Lisa M. Bates
- 2008 MPH in Community Health Education  
Temple University, College of Public Health, Philadelphia, PA  
Master's Thesis: Patient navigation: Lessons learned from research and evaluation
- 2004 BA in Biology  
Franklin & Marshall College, Lancaster, PA  
IES Study Abroad Program (Spring 2003): University of Melbourne, Melbourne, Australia

**TRAINING**

- 2019-2021 Postdoctoral Fellow, Multidisciplinary Research Training to Reduce Inequalities in Cardiovascular Health (METRIC) T32, Department of Epidemiology, Emory University, Rollins School of Public Health, Atlanta, GA
- 2015-2016 Trainee, Initiative for Maximizing Student Development (IMSD), Columbia University, Mailman School of Public Health, New York, NY

**RESEARCH EXPERIENCE/PROFESSIONAL EMPLOYMENT**

- 2017-2019 Public Health Program Associate, Department of Epidemiology, Emory University, Rollins School of Public Health, Atlanta, GA
- Fall 2016 Graduate Research Assistant, Department of Epidemiology, Columbia University, Mailman School of Public Health, New York, NY
- 2013-2015 Study Coordinator, Department of Sociomedical Sciences, Columbia University, Mailman School of Public Health, New York, NY

- 2011-2013 Project Coordinator, Cancer Prevention and Control Program, Icahn School of Medicine at Mount Sinai, New York, NY
- 2008-2011 Program Coordinator, Department of Health Communications and Health Disparities, Fox Chase Cancer Center, Philadelphia, PA
- 2007-2008 Graduate Intern, Health Communications and Public Health Program, Fox Chase Cancer Center, Philadelphia, PA
- 2005-2006 Research Support Specialist, Biophysics Department, SUNY Stony Brook, Stony Brook, NY

## AWARDS AND HONORS

- 2022-2024 Loan Repayment Program (Renewal Award) – Health Disparities Research, National Institute of Health, NHLBI
- 2022 Advancing Health Equity Pilot Project Award, Northeastern University, Institute for Health Equity and Social Justice Research
- 2020-2022 Loan Repayment Program – Health Disparities Research, National Institute of Health, NHLBI
- 2019 Epidemiology and Population Health Summer Institute at Columbia (EPIC) Fund Award, Department of Epidemiology, Columbia University, Mailman School of Public Health
- 2017 Travel Award, Student Conference Travel Fund, Columbia University, Mailman School of Public Health
- 2016 Travel Award, Society for Epidemiologic Research
- 2013-2015 Merit Doctoral Award, Columbia University, Mailman School of Public Health

## **PROFESSIONAL GUIDES**

- 1) **Crookes, D.M.**, Tipples, J., Lazev, A., Gonzalez, E., & Fleisher, L. (2010) Your Resource Guide to Tobacco Use in the African American Community (Available at: <https://healthpolicy.ucla.edu/programs/health-data/uclasafe/Pages/Tobacco%20Use%20In%20the%20African%20American%20Community.pdf>). Funded by the Pennsylvania Department of Health.
- 2) **Crookes, D.M.**, Morra, M.E., Berger, T., Gallo, R., & Fleisher, L. (2008) Your Resource Guide to Patient Navigation (Available at: <https://www.foxchase.org/sites/fccc/files/assets/navigation-resource-guide.pdf>). Funded by the Pennsylvania Department of Health.

- 3) Bass, S.B., Gallo, R., **Crookes, D.M.**, Berger, T., & Fleisher, L. (2008) Your Resource Guide to Health Literacy. Funded by the Pennsylvania Department of Health.

## INVITED TALKS

- 1) “Understanding the effects of the sociopolitical environment on immigrants’ health in the United States” for the Department of Biobehavioral Health, Penn State University, March 11, 2024.
- 2) Invited Panelist for “State of Migration: Structural approaches to advance immigrant health”, Migration and Health Initiative, Institute for Health Equity and Social Justice Research, Northeastern University; October 24, 2023.
- 3) “Understanding the effects of the sociopolitical environment on immigrants’ health in the United States” for the Latino Health Services Research Seminar, PRIMER Lab, Oregon Health & Sciences University, September 14, 2023.
- 4) “Sociopolitical drivers of immigrants’ health in the United States: Capturing and addressing real-world complexity” for the Emerging Scholars Visiting Scholar Program at Boston University, School of Public Health, Department of Epidemiology; March 16, 2023.
- 5) “Immigrant-related policies and the health outcomes of immigrants in the United States” as the Inaugural speaker for the Hot Topics in Public Health series, Department of Health Sciences, Bouvé College of Health Sciences, Northeastern University; January 31, 2023.
- 6) “Racism as a social determinant of health” at Northeastern University, for Salus Populi, an education program for the judiciary, hosted by a collaboration between The Center for Health Policy and Law and the Institute for Health Equity and Social Justice Research at Northeastern University; June 10, 2022; October 7, 2022.
- 7) “Sociopolitical drivers of immigrants’ health in the US” as part of “Public health: How do we translate evidence into health equity?” panel session at the Boston Area Research Initiative (BARI) Conference; Boston, MA; May 6, 2022.
- 8) “More than federal immigration policies: Applying a health in all policies approach to the study of state-level policies and immigrant’s health in the US” at Boston University, School of Public Health, Department of Health Law, Policy and Management; May 18, 2021.

## GRANTS

### External

#### Active

Health Equity Scholars for Action

Crookes (PI)

12/1/2021-11/30/2023;

Robert Wood Johnson Foundation

NCE 06/30/2025

Total Award: \$249,920

### **The impact of sanctuary policies on cardiovascular disease risk factor screening among adult immigrants in the US**

The goal of this mentored research project is to examine the effects of county-level sanctuary policies, especially in the context of state-level immigrant policies, on CVD risk factor screening among immigrants of color.

Role: PI (70% effort, years 1 and 2)

1K01HL174891

Crookes (PI)

9/1/2024-8/31/2029

National Heart, Lung, Blood Institute

Total Award: \$806,002

**Understanding immigrants' cardiovascular disease utilization: An epidemiological and system dynamics approach**

The goal of this project is to use epidemiologic, system dynamics, and community-engaged methods to understand and quantify how different facets of the sociopolitical environment affect Black and Latinx immigrants' CVD preventive care utilization.

Role: PI (75% effort)

**TEACHING ACTIVITIES**

Teaching

Northeastern University, Department of Health Sciences, Boston, NY

Fall 2024	Sociology of Health and Illness (SOCL 3441) (undergraduate), Enrollment: 33
Spring 2024	Principles of Epidemiology in Medicine and Public Health (PHTH 4202) (undergraduate), Enrollment: 24
Fall 2023	Principles of Epidemiology in Medicine and Public Health (PHTH 4202) (undergraduate), Enrollment: 19
Spring 2023	Introduction to Epidemiology (PHTH 5202) (graduate), Enrollment: 17
Spring 2022	Introduction to Epidemiology (PHTH 5202) (graduate), Enrollment: 14
Fall 2021	Introduction to Epidemiology (PHTH 5202) (graduate), Enrollment: 27

Columbia University, Mailman School of Public Health, New York, NY

Summer 2024	Instructor: Missing Data and Multiple Imputation (graduate), online course for episummer@columbia, Enrollment: 5
Summer 2023	Instructor: Missing Data and Multiple Imputation (graduate), online course for episummer@columbia, Enrollment: 9
Summer 2022	Instructor: Missing Data and Multiple Imputation (graduate), online course for episummer@columbia, Enrollment: 13
Summer 2021	Instructor: Missing Data and Multiple Imputation (graduate), online course for episummer@columbia, Enrollment: 15
Summer 2020	Co-Instructor: Missing Data and Multiple Imputation (graduate), online course for episummer@columbia, Enrollment: 23

Guest Lectures

Boston University School of Public Health, Department of Epidemiology, Boston, MA
