## **EDUCATION**

### **Purdue University, West Lafayette, IN**

*Doctor of Philosophy; Speech-Language & Hearing Sciences*

*Major Professor: Lyle L. Lloyd*

*Dissertation: Examining the Effectiveness of Two Teaching Strategies on the Learning of Graphic Symbols by AAC Users*

### **Purdue University, West Lafayette, IN**

*Master of Science; Speech-Language & Hearing Sciences*

### **Boston College, Chestnut Hill, MA**

*Bachelor of Arts in Psychology*

## **EMPLOYMENT**

### **Academic Appointments**

#### **Northeastern University**

#### **Department of Communication Sciences and Disorders (CSD), Boston, MA**

#### ***Assistant Clinical Professor***

**9/2023 – present**

- Teach the graduate level courses Autism (SLPA 6320, 1 credit), Augmentative and Alternative Communication (AAC) (SLPA 6304, 3 credits), Thesis (SLPA 6990), and Neurodiversity Affirming Practice in Speech-Language Pathology (SLPA 6320, 2 credits)
- Creator and instructor for Bouvé IPE event (Neurodiversity-Affirming Care)
- Instructor for Bouvé IPE event (Multiple Sclerosis Case)
- Instructor for SoCRS IPE event (Stroke Simulation Lab)
- Clinical Supervisor of graduate student clinicians at Northeastern University Speech Language and Hearing Center for neurodiversity-affirming AAC assessment and intervention
- Supervise students at Zeno Mountain Farm, including AAC Family Camp
- Creation and Co-directing AAC Family Camp
- Solicit donations of AAC apps and Speech Generating Devices for use in evaluations and to train graduate student clinicians
- Serve as chair and member of thesis committees for MS-SLP graduate students
- Serve on committee for doctoral research
- Participation in activities that promote and support the CSD department, SoCRS, Bouvé College, and the university
- Inclusive of all responsibilities listed below (see Visiting Assistant Clinical Professor role below)

***Visiting Assistant Clinical Professor***

**9/2021 – 8/2023**

- Clinical Supervisor of 56 graduate student clinicians at Northeastern University Speech Language and Hearing Center
- Supervised 10 students at Camp Jabberwocky
- Supervision of second year MS SLP students for first year MS SLP screenings
- Supervised hearing screenings
- Served on Admissions Committee: reviewed applicant letters of recommendation
- Developed clinical documentation for graduate students including report templates and samples
- Solicited donations of 7 AAC apps for use in evaluations and to train graduate student clinicians
- Supervised 4 undergraduate students in Capstone Project
- Served as chair of thesis committee for one MS-SLP graduate student
- Served on thesis committee for one MS-SLP graduate student

**Confidence Connection, Needham, MA**

***Director of Speech, Language, and AAC Services***

**4/2016 – 8/2021**

- Supervised and mentored 5 Clinical Fellows
- Supervised 2 speech language pathology assistants
- Provided interdisciplinary training to speech language pathologists, occupational therapists, registered behavior technicians, and board certified behavior therapists in AAC
- Consulted for Dedham Public Schools and completed AAC evaluation
- Conducted 15 AAC assessments

**Augmentative and Alternative Communication Services, Sudbury, MA**

***Speech Language Pathologist, AAC Provider***

**1/2000 – 3/2016**

- Sole proprietor of private practice
- Contracted with public school systems
- Conducted AAC evaluations and provided AAC intervention

***University Supervisor of graduate student clinicians, Purdue University***

**8/1998 – 12/1999**

***AAC Consultant for Greater Lafayette Area Special Services***

**8/1997 – 12/1999**

***Agency Supervisor of graduate student clinicians, Greater Lafayette Area Special Services, IN*** 8/1997 – 5/1998

***SCHOLARSHIP***

**Publications:**

### **Invited Presentations:**

- Ho, K. (2026, May). Family Panel Participant. Invited speaker for SLPA 6313 Counseling in Speech-Language Pathology.
- Ho, K. (2026, May). Understanding Neurodiversity for Professionals, Families, and Caregivers. Invited speaker for Neurodiversity Support for Children, Hopkinton, MA.
- Ho, K. (2026, April). AAC in Speech Language Pathology and ABA. Invited lecture for Baypath University, ABA 670 Augmentative and Alternative Communication Introductions, Interventions, and Technologies.
- Grandbois, K. & Ho, K. (2026, April). Beyond Words: Honoring Communication, Celebrating Joy in AAC for Autistic Individuals. Invited speaker for the Profound Autism Summit, Boston, MA.

- Ho, K. (2026, March). Augmentative & Alternative Communication for School-Aged Children. Invited guest lecture for SLPA 6340 Child Language 1.
- Ho, K. & Young, S. (2026, March). Supporting Autistic People: Understanding AAC and Dysregulation for Future Healthcare Professionals. Invited guest lecture for Center for Technology Essex, Essex Junction, VT.
- Ho, K. (2026, February). Supporting Neurodivergent Students in Clinical Graduate Programs: A Framework for Inclusive Clinical Education. Fall CE event for Northeastern University.
- Ho, K. (2025, November). Augmentative and Alternative Communication for Autistic Children. Invited presentation for the Federation for Children with Special Needs, Boston, MA.
- Ho, K. (2025, October). Language Acquisition for Motor Planning (LAMP). Invited in-service for New England Center for Children (NECC).
- Ho, K. (2025, May). Supporting Community and Belonging for Neurodivergent and Queer People. Invited presentation for Peace Lutheran Church.
- Ho, K. (2025, April). Expert Panel on Supporting Neurodivergent AAC Users and Gestalt Language Processors at the Northeast AAC Summit.
- Ho, K. (2025, February). Reflecting on Neurodiversity. Invited presentation for ALLIED Talk Series at Northeastern University.
- Ho, K. (2025, February). Augmentative and Alternative Communication for Patients with ALS. Guest lecture for SLPA 1555: Communication Disorders in the Movies.
- Ho, K. (2025, January). Supporting Neurodivergent Friends, Acquaintances, and Family Members. Invited presentation at Peace Lutheran Church.
- Ho, K. (2025, January). Augmentative and Alternative Communication Implementation in the Classroom using Neurodiversity-Affirming Practices. Invited presentation for Bourne Public Schools.
- Kiami, S. & Ho, K. (2024, December). Inclusive Language to Support DEIB in the Classroom. Invited presentation at School of Rehabilitation Sciences Meeting.
- Ho, K. (2024, November). Supporting Neurodivergent Clients, Students, and Colleagues. Invited presentation at Women Bringing Social Justice by Northeastern University Future Leaders.
- Ho, K. (2024, November). Neurodiversity Affirming Support for Autistic Students with AAC Needs. Invited presentation for Newton Public Schools PD event.
- Ho, K. (2024, November). Interprofessional Collaboration to Support Autistic AAC Users. Invited presentation for Newton Public Schools PD event.
- Ho, K. (2024, October). Language Acquisition for Motor Planning (LAMP). Invited in-service for New England Center for Children (NECC).
- Ho, K. (2024, October). Interprofessional collaboration in supporting Autistic individuals with Significant Support Needs. Invited presentation for Disability Alliance at Northeastern University.
- Ho, K. (2024, October). Providing Neurodiversity-Affirming Services as a BCBA. Invited presentation for LSGurdin Consulting.
- Ho, K. (2024, September). A Comparison of Gestalt Language Processing and Analytic Language Processing and Overview of Appropriate Language Interventions for Each Profile. Guest lecture for SLPA 6340 Child Language 1.
- Ho, K. (2024, June, July, August). Communication. Invited presentation for Camp Jabberwocky.
- Ho, K. (2024, June, July, August). Feeding Workshop. Invited presentation for Camp Jabberwocky.

- Ho, K. (2024, May). Collaboration between SLPs and ABA to Provide Neurodiversity-Affirming Services. Invited presentation for Boston Ability Center.
- Ho, K. & Edge-Savage, J. (2024, March). Providing Neurodiversity Affirming Support for Autistic Individuals with AAC Needs. Invited presentation for Northeastern University's Communication Science and Disorders Spring CE event.
- Ho, K. (2024, February). Overview of Augmentative and Alternative Communication. Guest lecture for SLPA 1555: Communication Disorders in the Movies.
- Ho, K. (2024, January). Providing Neurodiverse-Affirming Services as a SLP. Guest lecture for Introduction to Communication Sciences and Disorders SLPA 1101.
- Ho, K. (2024, January). What I've Learned from People with Disabilities. Invited interview on podcast, Disability Talk with Marianne.
- Kiami, S. & Ho, K. (2023, December). Neurodiversity Training. Presentation at School of Rehabilitation Sciences Meeting.
- Ho, K. (2023, December). Thoughts on Neurodiversity, FCT/Self-Advocacy, & AAC from a Speech Pathologist and BCBA. Webinar presented through LSGurdin Consulting. <https://behaviorlive.com/organizations/lsgurdin/on-demand/>
- Ho, K. (2023, July). Augmentative and Alternative Communication Services in an ABA Setting. Guest lecture for Advanced Practicum 1, CAEP 8417.
- Ho, K. (2023, March). Providing AAC and ABA Services as a SLP. Guest lecture for Introduction to Communication Sciences and Disorders SLPA 1101.
- Ho, K. (2023, January). Team Collaboration to Support Autistic Learners who use AAC. Webinar presented through Minspeak Academy.
- Ho, K. (2022, January). Team Collaboration to Support Individuals with Autism who use AAC. Semantic Compaction® Systems, Inc. <https://minspeak.com/webinars/>
- Ho, K. (2021, July). Using Visual Supports and AAC. Webinar presented to the Circle of Vietnamese Parents Who Have Special Needs Children, Waltham, MA.
- Ho, K. (2021, June). Coming Together with ABA to Support Learners with ASD and CCN [Webinar]. Semantic Compaction® Systems, Inc. <https://minspeak.com/webinars/>
- Ho, K. (2019, March). AAC for ASD: Tools for Communication, Language and Social Skills. Pre-conference Short Course presented at the meeting of the Virginia American Speech-Language-Hearing Association Conference, Richmond, VA.
- Ho, K. (2018, November). Collaborating with ABA To Increase Language Skills for Children with ASD. Webinar. Semantic Compaction® Systems, Inc. <https://minspeak.com/webinars/>

## **GRANTS**

### **External:**

- Tufts Clinical and Translational Science Institute (CTSI) Small Grants to Advance Translational Science (S-GATS): Collaborating with the Autism Community to Develop Novel AAC/SGD Access Methods for Individuals with Little or No Functional Speech (\$50,000). Awarded February 2023, co-PI.
- United States Society of Augmentative and Alternative Communication (USSAAC) Mini-Grant for Innovative Projects: Autism AAC Retreat (\$5,000). Awarded October 2025, PI.

- United States Society of Augmentative and Alternative Communication (USSAAC) Mini-Grant for Innovative Projects: Amplifying Tiny's Voice: Supporting an Autistic AAC User. Submitted March 2026, PI.

## **TEACHING & ADVISING**

### **Didactic Teaching:**

- SLPA 6990: Thesis (Summer 2026, 1 student, TRACE: N/A)
- SLPA 6304: Augmentative and Alternative Communication (Fall 2025, 61/64 students, TRACE: 4.72)
- SLPA 6320: Autism (Summer 1 2025, 18/19 students, TRACE: 4.8)
- SLPA 6990: Thesis (Spring 2025, 2 students, TRACE: N/A)
- SLPA 6304: Augmentative and Alternative Communication (Fall 2024, 65/65 students, TRACE: 4.9)
- SLPA 6990: Thesis (Fall 2024, 2 students, TRACE: N/A)
- SLPA 6990: Thesis (Summer 2024, TRACE: N/A)
- SLPA 6320: Autism (Summer 1 2024, 34/35 students, TRACE: 4.9)
- SLPA 6990: Thesis (Spring 2024, 2 students, TRACE: N/A)
- SLPA 6304: Augmentative and Alternative Communication (Fall 2023, 49/52 students, TRACE: 4.3)
- SLPA 6990: Thesis (Fall 2023, 2 students, TRACE: N/A)
- SLPA 6320: Autism (Summer 1 2023, 29/31 students, TRACE: 4.9)
- SLPA 6311: Counseling and Speech Language Pathology (Summer 1 2023, 48/51 students, TRACE: 4.6)
- SLPA 6990: Thesis (Summer 2023, 2 students, TRACE: N/A)
- SLPA 6990: Thesis (Spring 2023, 2 students, TRACE: N/A)
- SLPA 6978: Independent Study Autism and AAC (Fall 2022)
- SLPA 6990: Thesis (Fall 2022, 1 student, TRACE: N/A)
- SLPA 6320: Autism (Summer 1 2022, 25/25 students, TRACE: 4.4)
- SLPA 6311: Counseling and Speech Language Pathology 01 (Summer 1 2022, 43/44 students, TRACE: 4.0)
- SLPA 6311: Counseling and Speech Language Pathology 02 (Summer 1 2022, 42/42 students, TRACE: 4.2)

### **NUSLHC Clinical Supervision:**

- Spring 2026: 17 students with 10 clients
- Fall 2025: 17 students with 9 clients
- Summer 2025: 4 students with 9 clients
- Spring 2025: 23 students with 10 clients
- Fall 2024: 9 students with 9 clients
- Summer 2024: 3 students with 7 clients
- Spring 2024: 13 students with 10 clients
- Fall 2023: 10 students with 9 clients

- Summer 2023: 2 students with 8 clients
- Spring 2023: 9 students with 8 clients
- Fall 2022: 16 students with 10 clients
- Summer 2022: 4 students with 5 clients
- Spring 2022: 20 students with 10 clients
- Fall 2021: 14 students with 8 clients

### **Simucase**

- Summer 2026: 14 students with 5 clients
- Fall 2025: 64 students with 1 client
- Spring 2023: 9 graduate students with 2 clients

### **External Clinical Supervision:**

- Zeno Mountain Farm (2026, 6 students)
- Zeno Mountain Farm (2025, 4 students)
- Camp Jabberwocky (2024, 8 students)
- Camp Jabberwocky (2023, 5 students)
- Camp Jabberwocky (2022, 6 students)

### **MS-SLP Program Advising:**

- Academic advising: 2026: 16 students; 2025: 10 students; 2024: 10 students; 2023: 5 students

### **Graduate Student Mentored Research:**

- Clyburn, D.: Master's Thesis (in process). Examining intonation-based intervention with gestalt language processors (Committee Chair).
- Lynch, V., Doctoral Dissertation (in process). Functional communication training for nonspeaking autistic students (Committee Member as content expert). University of South Carolina.
- Khoury, R.: Master's Thesis, Spring 2026. Bridging the Gap Between Parent Report and Observed AAC Use in Children with Complex Communication Needs (Committee Member).
- Stewart, A.: Master's Thesis, Spring 2025. What are the current practices of SLPs to support gestalt language learners who use AAC? (Committee Chair).
- Park, M.: Master's Thesis, Spring 2025. Comparison of Modeling versus Direct Instruction to teach Vocabulary on a Speech Generating Device for an Autistic Adult (Committee Chair).
- Ho, C.: Master's Thesis, Summer 2024. Developing Targeted Vocal Hygiene Education Programs for Future Professional Voice Users (Committee Member).
- DiNardo, A.: Master's Thesis, Spring 2024. Assessment of Attitudes and Perspectives about Autism among Speech-Language Pathology Graduate Students (Committee Chair).
- Flatley, M.: Master's Thesis, Spring 2023. What is the Impact of Speech Generating Device Use on Vocalizations by Autistic Adults? (Committee Chair).
- Briggs, A.: Master's Thesis, Summer 2022. The secret to success: Primary caregivers of children who use AAC define successful implementation as well as describe facilitators and barriers to implementation (Committee Member).

- Singleton, R.: Doctoral Dissertation, Fall 2021. Identifying Barriers to Successful Implementation of Augmentative and Alternative Communication (AAC) in a Southern Metropolitan School District (Dissertation Chair).
- Boguslavskaya, M.: Doctoral Dissertation, Summer 2019. Improving Social and Pragmatic Skills in Adolescents Diagnosed with ASD (Dissertation Chair).
- Angermeier, K.: Master's Thesis, August 2006. Iconicity and Symbol Learning with the Picture Exchange Communication System (Committee Member).

### **Recognition/Awards:**

- Bouvé Award for Fostering Community and Belonging, nominated 2025
- Bouvé Distinguished Educator Award for Graduate Education; nominated 2024
- SoCRS Interprofessional Excellence Faculty Award, 2024
- Communication Science and Disorders Supervisor Excellence Award, 2024
- Best Presentation Award from the International Conference on Linguistics, Language Teaching and Learning, 2023

## ***SERVICE and PROFESSIONAL DEVELOPMENT***

### ***1. Service to the Institution:***

#### ***a. Department Service – Communication Sciences & Disorders (CSD):***

- Merit Committee member (Fall 2025–present)
- Alumni Engagement Committee chair (Fall 2025–Spring 2026)
- Ad Hoc Search Committee member (Summer 2025)
- Ad Hoc DEIB Implementation Plan Committee member (Spring 2025)
- CDS Diversity, Equity, and Inclusion Faculty Liaison (Fall 2023–Spring 2025)
- CDS Diversity, Equity, and Inclusion Committee member (Fall 2022–2025)
- CSD Graduate SLP Admissions Committee member (Fall 2021–Spring 2026)
- CSD Curriculum Committee member (Fall 2021–Spring 2022)
- Master's Thesis Committee Chair and Committee member (2022-present)
- ASHA Convention Graduation Fair Volunteer (2024-2025)
- Academic and Clinical Clearance Meeting Facilitator (2024-present)
- Admissions Open Houses, Accepted Student Days, and Welcome Days Participant (2021-present)
- Annual Comprehensive Exams – contribute to question pool and serve as examiner (2021-present)
- CSD Continuing Education Event speaker (2024, 2026)
- Annual CSD Orientation and Welcome Sessions participant (2022-present; speaker 2025)
- SLPA 1555 Communication Disorders in the Movies guest lecturer on Augmentative and Alternative Communication (Spring 2023-2024)
- SLPA 1101 Bridging Minds: An Introduction to Communication Sciences and Disorders guest lecturer on Neurodiversity Affirming Care in Speech Language Pathology (Spring 2022-present)

- SLPA 6340 Child Language 1, guest lecturer on A Comparison of Gestalt Language Processing and Analytic Language Processing and Overview of Appropriate Language Interventions for Each Profile (Fall 2024), and Augmentative and Alternative Communication (Spring 2026)
- SLPA 1000 College: An Introduction, served on Faculty Panel (Spring 2025, Spring 2026)

***b. School Service: School of Clinical Rehabilitation Sciences (SoCRS):***

- SoCRS IPE event instructor (Stroke Simulation Lab)
- SoCRS Diversity, Equity, and Inclusion Committee chair (Fall 2024–Spring 2025)
- SoCRS Diversity, Equity, and Inclusion Committee member (Fall 2022–Spring 2025)
- SoCRS PhD Planning Meetings attendee (Fall 2024-Fall 2025)
- SoCRS Meeting, Co-led training on Inclusive Language to Support DEIB in the Classroom (Fall 2024)
- SoCRS Meeting, Co-led training on Neurodiversity (Fall 2023)

***c. College Service: Bouvé College of Health Sciences:***

- Bouvé IPE event lead faculty and instructor (Neurodiversity-Affirming Care, 2025-present)
- Bouvé IPE event instructor (Multiple Sclerosis Case, 2022-present)
- Bouvé Summer High School Program – coordinator to provide AAC devices (2024-present)
- Bouvé College Celebration participant (2021-2023), faculty procession (2024-present)
- Advanced ABA Practicum 1, CAEP 8417, guest lecturer on Augmentative and Alternative Communication Services in an ABA Setting (Summer 2023)

***d. University Service:***

- My role as an AAC Specialist and a clinical supervisor has increased the visibility of the Northeastern Speech Language Hearing Center as a source for Augmentative and Alternative Communication (AAC) assessments and intervention
- An increase in AAC referrals to our clinic has occurred since the Fall 2021 when I joined the faculty
- Northeastern University Graduation faculty procession (2022-2024, 2026), marshal (2025)
- ALLIED Talk Series at Northeastern University, invited lecturer on Reflecting on Neurodiversity (Spring 2025)
- Disability Alliance at Northeastern University, invited lecturer on Interprofessional Collaboration in Supporting Autistic Individuals with Significant Support Needs (Fall 2024)
- Women Bringing Social Justice by Northeastern University Future Leaders, invited lecturer, Supporting Neurodivergent Clients, Students, and Colleagues (Fall 2024)

***2. Service to the Discipline/Profession:***

- Completed a Review of the AAC eLearning Modules for the Minspeak Academy (Summer 2026)
- Creator and Co-Director of AAC Family Camp, a camp for autistic adults who use AAC and their families at Zeno Mountain Farm (Spring 2026)
- Consulted for a Korean Speech Language Pathologist in AAC for Aphasic Clients (Spring 2026)
- ASHA Convention Program Planning Committee member: Considerations for Autistic and Neurodivergent Populations Across the Lifespan (Spring 2026)

- ASHA Convention Program Planning Committee invitee: Equity, Inclusion and Cultural-Linguistic Diversity (Spring 2026)
- Member of Community Advisory Panel for the Functional Communication Frontier Science Hub Anchor Project (Fall 2025)
- Creator of LinkedIn group, Northeast AAC Group for AAC professionals (Spring 2025)
- Reviewer of book: Artificial Intelligence, Automation, and Extended Reality in Speech-Language Pathology: Integrating Technology into Clinical Practice (Spring 2023-2025)
- Member of American Board of Augmentative and Alternative Communication Affiliate for ASHA Specialty Certification (Fall 2024–present)
- Member of American Board for Augmentative and Alternative Communication (AB-AAC), ASHA Committee on development of AAC Specialty Certification manual (Fall 2023–2024)
- AAC Gestalt Language Study Group member (Fall 2023–2024)
- Remarkable Accelerator focused on using technology to unleash human potential and create life changing solutions for people with disability, Expert Reviewer (Fall 2022)
- LAMP Certified Professionals Case Study Group member (Fall 2021–present)
- Bilingual AAC Professional Learning Committee member (Fall 2021–Spring 2023)
- Holyfield, Christine & Kathryn, Drager. (2021). Alternative Communication Intervention for Adults with Down syndrome: Descriptive Exploration. Assistive Technology, reviewer (Fall 2020–Spring 2021)
- AAC and Autism Consultant for Family Promise Metrowest (Fall 2020–2023)
- Developed modeling videos for caregivers and professionals serving children who use AAC (Spring 2020–Spring 2021).  
[https://www.youtube.com/channel/UCC8IkP\\_L3ZXpvnDeF8MNchQ](https://www.youtube.com/channel/UCC8IkP_L3ZXpvnDeF8MNchQ)
- ASHA Convention Program Planning Committee Member (2018, 2021)
- Autism, Assistive Technology and Augmentative and Alternative Communication Consultant at Camp Jabberwocky, Vineyard Haven, MA (Summer 2007–2024)
- Supervisor to graduate interns from programs including University of Massachusetts at Amherst, Emerson College, Northeastern University, Nova Southeastern University, University of Virginia at Confidence Connection (2017–2021)
- Primary Home Health Care, Advisory Board member (2015)
- Professional Development Committee for Augmentative and Alternative Communication member, American Speech-Language and Hearing (2014–2015)
- SPEAKall! AAC application reviewer (2014)
- WordToob AAC application reviewer (2013)
- Book reviewer for Loncke, F. (2014). Augmentative and alternative communication: Models and applications for educators, speech-language pathologists, psychologists, caregivers, and users. Plural Publishing.
- Coordinator of Host Site for Family Promise Metrowest (2007–2020)
- Director of Board for Little Dove Early Childhood Center, Wayland, MA (2006–2010)
- Commonwealth of Massachusetts Speech-Language Pathology Licensure #6570 (2005-present)
- American Journal on Mental Retardation (AJMR) reviewer (2001–2002)

### ***3. Professional Licensures and Certifications:***

- American Board of Augmentative and Alternative Communication Specialty Certification (2025)

- American Board of Augmentative and Alternative Communication Affiliate for ASHA Specialty Certification (Fall 2024–present)
- Commonwealth of Massachusetts Applied Behavior Analyst Licensure #10000836 (2024-present)
- Behavior Analyst Certification Board (BACB) Certification #1-24-71758 (2024)
- Language Acquisition through Motor Planning (LAMP) Professional Certification (2017-present)
- American Speech Language Hearing Association (ASHA) Membership and Certification #12003704 (1999-present)

#### **4. Professional Affiliations:**

- Massachusetts Professionals in Behavior Analysis (2025-present)
- ASHA Special Interest Group 01: Language, Learning, and Education (2021-2025)
- ASHA Special Interest Group 12: Augmentative and Alternative Communication (1999-2025)
- Association for Behavioral Analysis International (ABAI) Affiliate (2024-2025)
- International Society for Augmentative and Alternative Communication (1997-present)
- United States Society for Augmentative and Alternative Communication (1997-present)
- Massachusetts Speech-Language Hearing Association (MSHA) (2005-present)
