HLTH2200: Emergency Medical Technician Training*†	1 + 2	2015	Summer 1	13

*Concurrent sections taught as one offering. †First offering.

- Developed and delivered new course including all content
- Founded and maintained Department of Public Health accreditation

Beth Israel Deaconess Medical Center July 2015 to Present

Training Center Faculty, Emergency Cardiovascular Care Program

Advanced Cardiac Life Support & Basic Life Support

- Overhauled course delivery model
- American Heart Association Training Center Faculty, certifying new instructors and evaluating, mentoring, and recertifying active instructors

Southcoast Training Oct 2012 to April 2014

Lead Instructor, Emergency Medical Technician program

Lab Instructor, Paramedic program

PROFESSIONAL EXPERIENCE

Brewster Ambulance Service

Director of Innovation (part-time)

May 2024-Present

- Propose and implement innovative solutions to organizational challenges and inefficiencies.
- Lead integration of AI across all departments.
- Lead special projects, including successful proposal to DPH resulting in updated Statewide Treatment Protocols increasing scope of practice for Advanced EMTs in the interfacility transport setting for all Massachusetts Ambulance Services.

Per Diem Paramedic Field Supervisor

Jan 2023-Present

- Supervise operations of 10-15 ambulances servicing 911 communities, hospitals, and medical facility transportation contracts.
- Provide Advanced Life Support patient care to 911 communities and interfacility transfers.

Director of Operations

June 2020-Dec 2022

- Lead strategic direction and operational oversight of \$100M+ organization completing over 200,000 patient transports annually and 90,000 911 responses.
- Senior leadership member reporting directly to ownership.
- Awarded and implemented \$28M in new hospital contracts as exclusive provider.
- Renewed and extended municipal 911 contracts in Middleboro, Plymouth, Quincy, Braintree, Taunton, and Framingham.
- Developed and launched Supervisor Mentorship Program.

- Implemented novel strategies to reduce time on task, improve utilization of resources, and increase support to field crews.

Infectious Disease Unit Leader

Jan 2020-Sept 2021

- Helmed organizational response to COVID-19 across MA, RI, NH, and FL.
- Authored and revised all internal COVID-related policies.
- Provided reporting to ownership, hospital, facility, municipal, and state partners.
- Won bids and executed launches for several multi-million dollar testing and vaccination sites across MA, RI, and NH.
- Designated Infection Control Officer.

Shift Commander

Sept 2019-June 2020

- Supervise operations of 40-60 ambulances servicing 911 communities, hospitals, and medical facility transportation contracts.

Paramedic

May 2019-Sept 2019

- Provide Advanced Life Support care to Town of Plymouth 911 and interfacility transfers.

Boston MedFlight

Critical Care Transport Specialist/Flight Paramedic

Oct 2018-Feb 2019

- Orienteer paramedic providing critical care via ground, rotor, and fixed wing vehicles.

Cataldo Ambulance Service

Shift Commander/Clinical Field Supervisor

Sept 2017-May 2019

- Supervise daily operations of 28-60 ambulances servicing 911 communities, hospitals, and medical facility transportation contracts.
- Sitting member of Continuous Quality Improvement Committee and Safety Committee.

Paramedic Field Training Officer

Nov 2012-Aug 2017

- Provide Advanced Life Support care in high-volume urban 911 system.
- Train, evaluate, and mentor new and remedial paramedic staff.
- Teach specialty training, including difficult airway, ventilator management, and infectious disease response.

Emergency Medical Technician

Feb 2011-Nov 2012

- Provide Basic Life Support to patients during interfacility medical transports and 911 back-up coverage.

RESEARCH EXPERIENCE

Vicarious Trauma Toolkit Project

July 2014-Dec 2015

Northeastern University Institute for Urban Health Research and Practice

Student Graduate Assistant (SGA) Graduate Fellow

Principal Investigator: Beth Molnar, ScD

DelValle Institute for Emergency Preparedness

June 2013-Aug 2013

Boston Public Health Commission Office of Public Health Preparedness
Undergraduate Intern
Senior Program Manager: Caitlin Cornelius, MPH

Under review, submitted September 21, 2026; manuscript JPHMP-S-26-00595).

PRESENTATIONS

Oral Presentations

Moattari, S., **Corey, D.**, & Evans, J.L. (2026, September). *Biased by Design? AI and Health Equity*. Invited presentation at the Partners for Advancing Health Equity (P4HE) Collaborative Workshop Series. Virtual Workshop.

Corey, D., & de Pinho, H. (2026, September). *Creating AI-Powered Learning Experiences*. Association of Schools and Programs of Public Health AI Roundtable Series. Invited Virtual Panel.

Moattari, S., **Corey, D.**, & Evans, J.L. (2026, August). *From Problem to Practice: Applying AI Responsibly in Public Health*. Invited presentation at the American Public Health Association Learning Institute. Virtual Workshop.

Corey, D., & Fahey, P. (2026, April). *A Discharge Lounge That Actually Works! Replicable Strategies, KPIs, and Lessons Learned*. Submitted and accepted presentation at the American Ambulance Association Annual Conference, Las Vegas, NV.

Corey, D. (2026, April). *From Knowing to Noticing: Using VR to Prepare Novice Learners for Real-World Practice*. Submitted and accepted presentation at the 2026 Northeastern University Conference for Advancing Evidence-Based Learning. Virtual Conference.

Corey, D. (2026, March). *AI & EMS: It's Here*. Invited keynote address at the Southeastern EMS Director's Association Annual Conference, Chattanooga, TN.

Corey, D., & Fahey, P. (2025, June). *AI and EMS Business Development: A Strategic Advantage*. Submitted and accepted presentation at the American Ambulance Association Annual Conference, Lexington, KY.

Corey, D. (2025, May). *Embedding Responsible AI Use in EMS Education*. Invited webinar hosted by the American Ambulance Association. Virtual Webinar.

Corey, D. (2025, April). *The (Im)Perfection of Learning Through GenAI, Simulation, and Real-World EMS Experience*. Submitted and accepted presentation at the 2025 Northeastern University Conference for Advancing Evidence-Based Learning. Virtual Conference.

Corey, D. (2023, February). *ECG: Everyone Can Graph!* Submitted and accepted presentation at the 30th Annual Conference of the National Collegiate Emergency Medical Services Foundation, Boston, MA.

Corey, D., & Provow, E. (2021, July). *Insight Gained on Fire and EMS Response, Vicarious Trauma, and the Impact of COVID-19*. Invited panel presentation for the International Association of Chiefs of Police in partnership with the Vicarious Trauma Research Institute. Virtual Panel.

Corey, D., Provow, E., Baker, M., & Casstevens, S. (2020, July). *Virtual Listening Session for Public Safety Personnel Focused on Vicarious Trauma and the Impact of COVID-19*. Invited panel presentation for the International Association of Chiefs of Police in partnership with the Vicarious Trauma Research Institute. Virtual Panel.

Corey, D. (2018, October). *Adrenaline Rush*. Submitted and accepted presentation at the 2018 National Collegiate EMS Foundation Massachusetts Meet-up, Cambridge, MA.

Corey, D. (2017, October). *Just Kidding!* Submitted and accepted presentation at the 2017 National Collegiate EMS Foundation Massachusetts Meet-up, Cambridge, MA.

Corey, D. (2016, October). *How's Your #Craydar?* Submitted and accepted presentation at the 2016 National Collegiate EMS Foundation Massachusetts Meet-up, Cambridge, MA.

Corey, D., & Grant, C. (2015, October). *BLS Airway Management*. Submitted and accepted presentation at the 2015 National Collegiate EMS Foundation Massachusetts Meet-up, Cambridge, MA.

Corey, D., & Grant, C. (2015, February). *Get Me That Tube! Is Endotracheal Intubation the Only Way?* Submitted and accepted presentation at the 22nd Annual Conference of the National Collegiate Emergency Medical Services Foundation, Baltimore, MD.

Submitted, Decision Pending

Garbers, S., Shields, A.N., **Corey, D.**, Scott, S., & Glowacki, E. (2026). *Having Difficult Conversations in Public Health Practice: Advancing Communication Skillsets through Experiential Education*. Abstract submitted to the 2027 Association of Schools and Programs of Public Health Annual Meeting for Academic Public Health.

GRANTS

External Grants

Association of Schools and Programs of Public Health. (2026-2028). Public Health Education Enhancement and Development (PHEED) Grant. Simulation-Based Education Toolkit to Build Oral Communication Skills for Public Health Students. Role: Co-Investigator (Principal Investigator: Samantha Garbers). Effort: 0.33% FTE. Total award: \$7,500 (ASPPH), with a \$7,500 Northeastern cost-match. Funded.
